

**Want Change
In Date Of
Twp. Election**

A new municipal election date in North Gwillimbury was requested verbally by summer cottage owners at a meeting of the township council at Belhaven hall on Tuesday afternoon. The delegation said they wanted to give 3,500 cottage owners a chance to cast their vote.

Representatives of beach associations asked for a change in the election date from late in December to the first Saturday in December.

President Jack Sinclair of Island Grove Beach Association said recently that it was time cottagers took an interest in township affairs since tax bills in some instances have climbed 60 to 70 percent for cottage owners.

According to township clerk Irwin Winch some taxes have increased that much. Others, however, have been decreased considerably and some remain the same since a re-assessment was carried out.

Mr. Sinclair said the cottage owners also want the polling booths kept open until 8 p.m. instead of 6 p.m. People are too busy in the city to get up to the lake and vote, he said.

The Island Grove Beach Association president said he disagreed with Reeve Norm Doyle on the eligibility of cottage owners who may want to run for council. The reeve claims they can't seek office, he said, but I believe he is wrong.

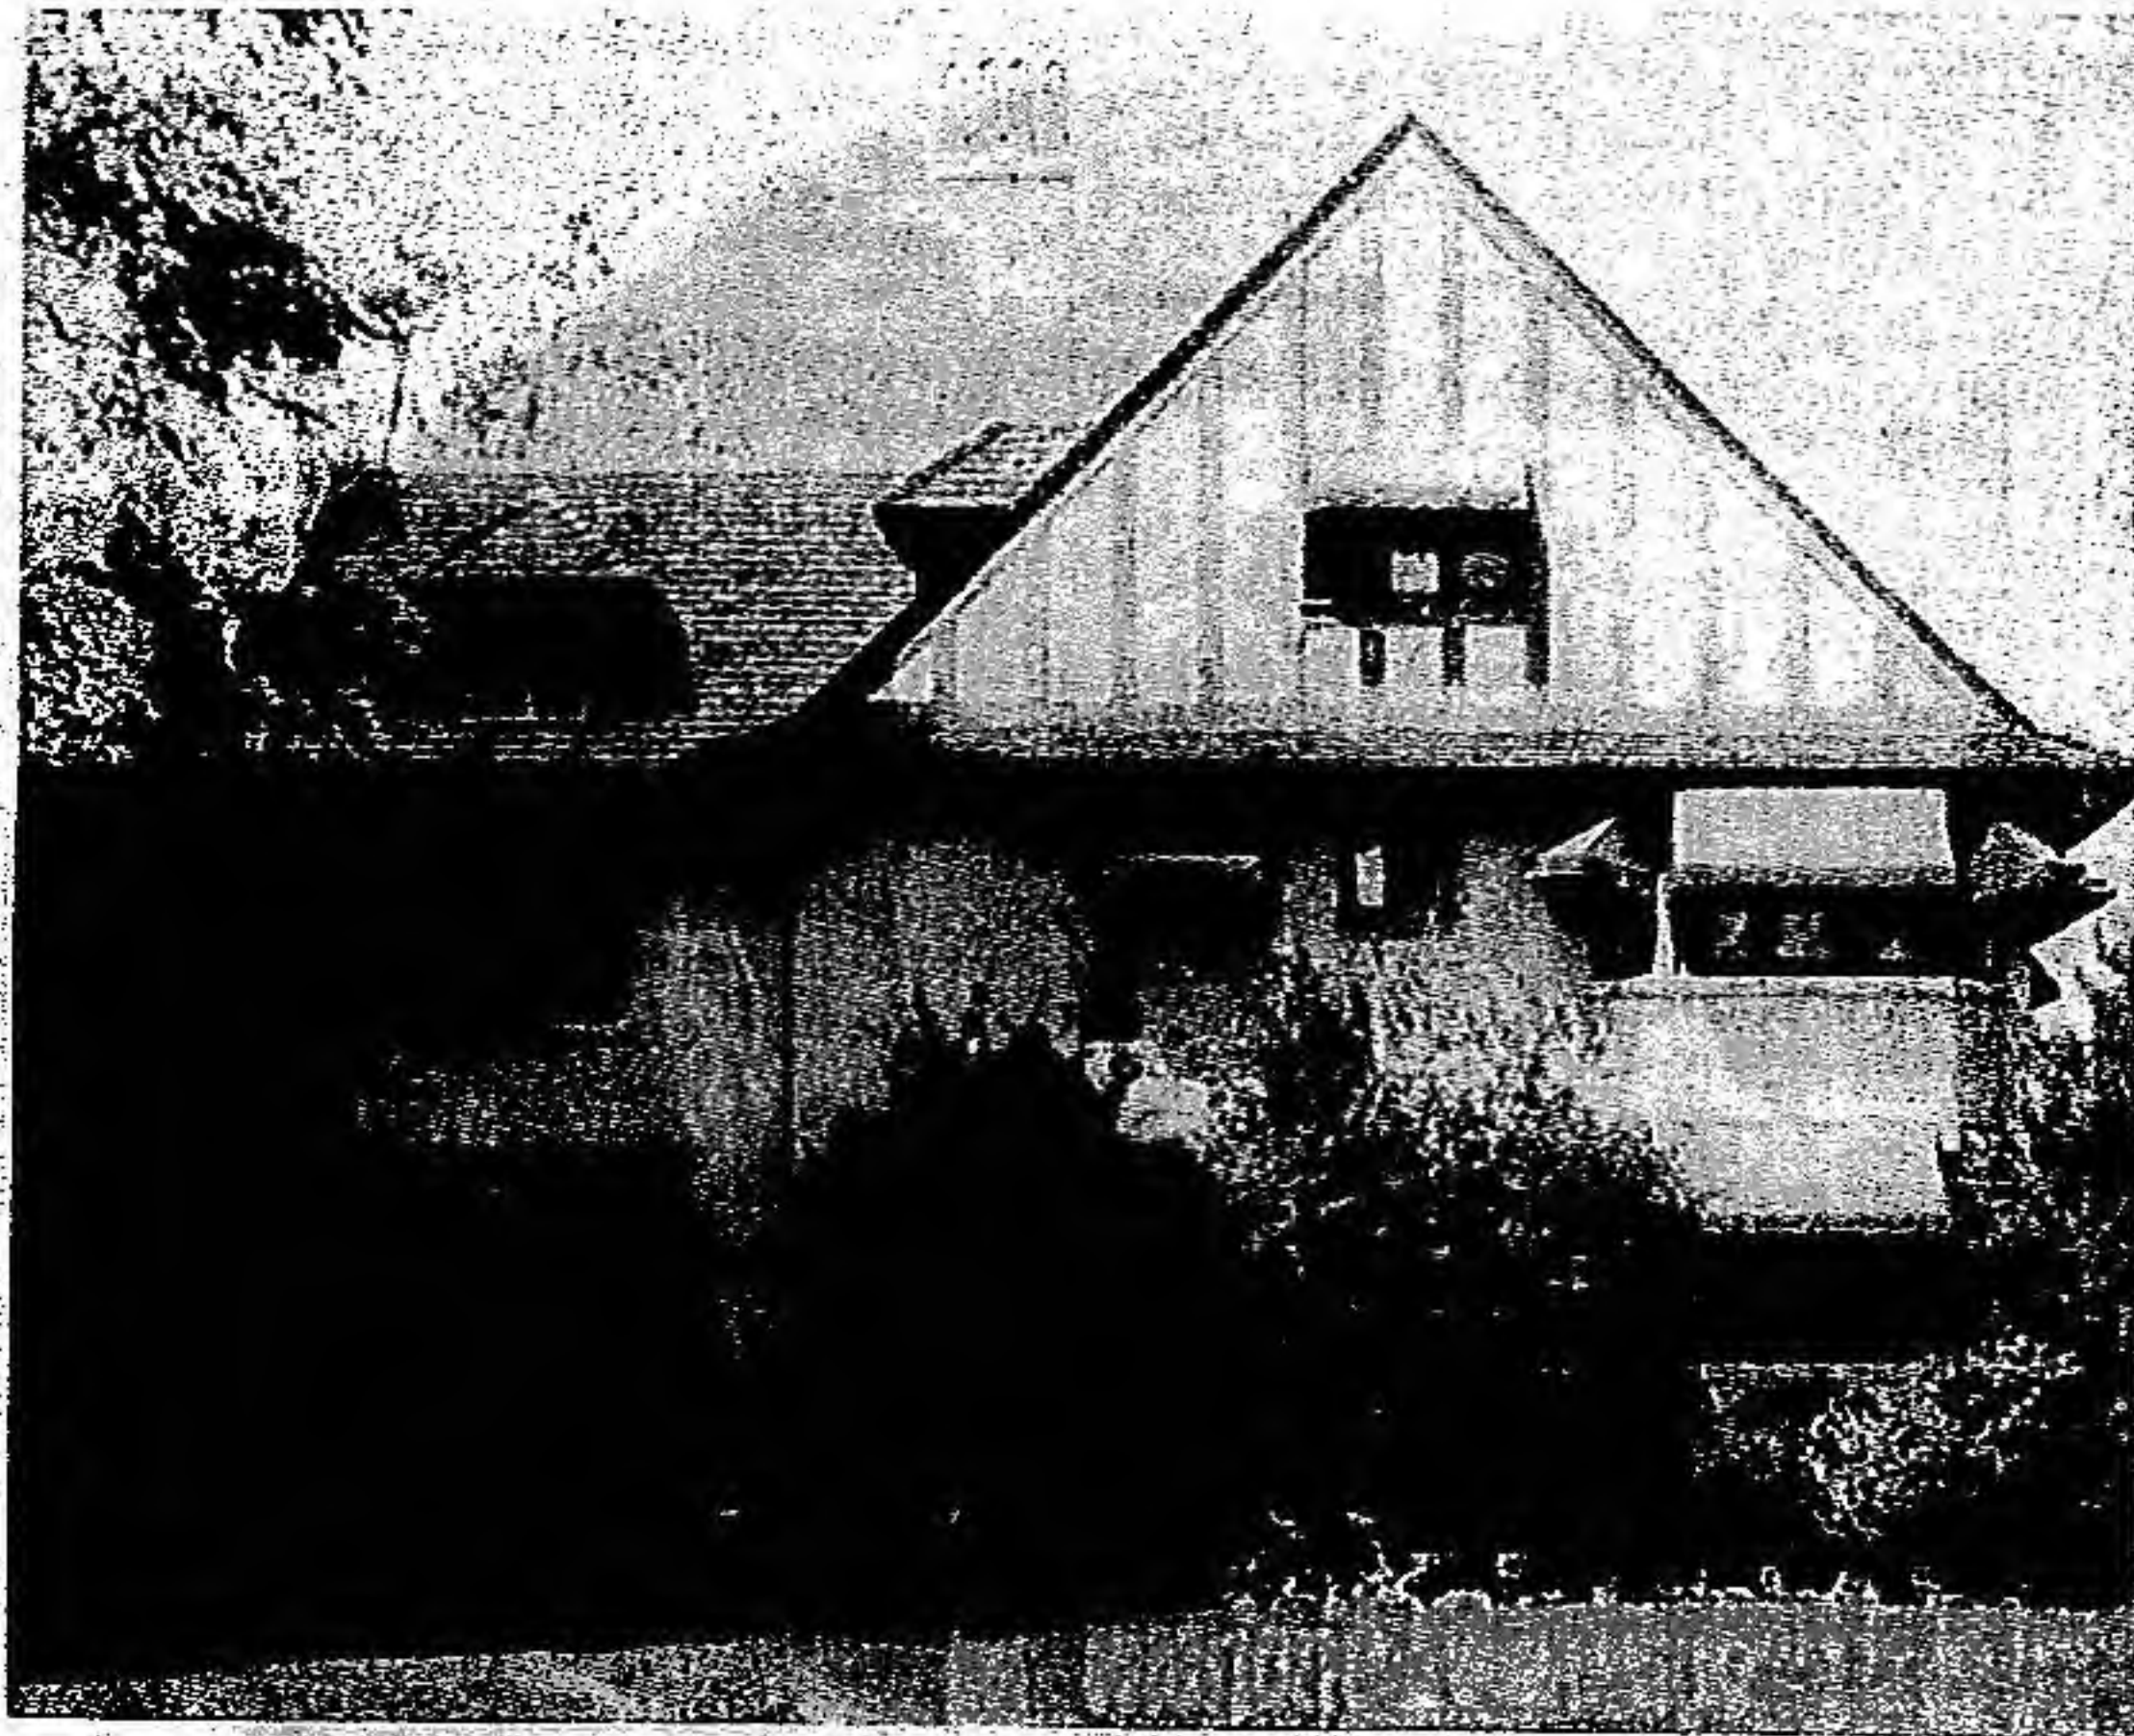

The council decided to leave the decision of changing the election date until its next meeting in September. Members of council felt that they should hear from representatives of permanent residents in the township.

WIN CHEST OF SILVER

Mrs. L. Hughes, Ellen St., Newmarket, was the winner of the chest of silver in a draw to celebrate the opening of the Marigold Gift Shoppe.

LIBRARY CLOSED

Newmarket Public Library will be closed the last two weeks of August.

The former home of the late Aubrey Davis, above, is now called Warrendale and is a residence for girls. No structural changes have been made to the beautiful residence and the grounds and gardens are being kept in the same manner as when it was a private home. Pictured below are Mr. and Mrs. John Hadda. Mr. Hadda is director of the institution which is financed by the Community Chest. Mrs. Hadda is house mother.

**Former Davis Home Is Residence
For Girls, Called Warrendale**

Warrendale, a residence for adolescent girls, will be opened in Newmarket this month when six girls arrive on August 22. The residence was formerly the home of the late Aubrey Davis at 60 Millard Ave.

Warrendale is being operated by a group of Toronto people, the board of St. Faith's Lodge. It is financed by the Community Chest and is affiliated with the Church of England.

The large residence with its beautiful spacious grounds and gardens were purchased from the Davis estate. There have been no changes made to the building except for a fire escape to comply with provincial regulations.

Director of Warrendale is John Hadda. He studied at the University of Toronto school of social work and has his master's degree in social work. He spent some time at specialized study in institutional work in Detroit following university studies.

Mrs. Hadda, who will be house mother at Warrendale, has studied child psychology.

"Warrendale is a residence for normal girls," Mr. Hadda says. "They are adolescents who have no satisfactory home of their own and who need group living." He said there would be no more than 15 girls living at the residence.

The specialized staff will include a recreational director but not teachers. The girls will attend Newmarket schools.

**ROXY BRINGS LIVE
MONKS FOR GREAT
CIRCUS SHOW**

The circus will be coming to Newmarket this month, the largest circus on earth, that of Ringling Brothers-Barnum and Bailey, but the big top show will be on the screen at the Roxy Theatre rather than at the old fair grounds.

"The Greatest Show On Earth" is an authentic panorama of the world's biggest Big Top Show with a penetrating drama. To add extra realism to the cinema showing of the greatest circus on earth, the theatre management is importing its own monkeys.

In the lobby of the Roxy, there will be a cageful of monkeys. The management is quoted as saying, "We intend to capture just a little of the real live circus atmosphere here." So the "Greatest Show On Earth" will hit Newmarket with a cageful of extras which Hollywood had left out.

**Lively Program For Children
At Lions Club Park Every Day**

A lively recreation program has been going on at the Lions Park in Newmarket this summer. Under the supervision of Mr. and Mrs. Neil Lothian, children of all ages are enjoying games, crafts and reading periods at the park.

The second half of the summer program was started on Tuesday. Total enrolment in the Lions Park recreation is 325, according to Mr. Lothian.

The average daily attendance has been 175. The lowest attendance was 140 and the highest 260. During the summer program, each youngster's score is kept on his standing in games and contests. The summer program is sponsored by the Newmarket Lions Club.

Swings, slides and sandboxes are also provided in the park and everyday mothers are there with small children and babies.

The following are the leading point standings of children in various group activities: Group 1, ages 4 to 6, Jerry Wright, 72, Roger Paul, 56, and Yvonne Fairbairn, hidden score; group 2, ages 7 to 9, Grant Orton, 132, Marilyn Wass, 117, and John Pitt, hidden score;

Group 3, girls 10 and over, Carol Hartling, 140, Mary McGuire, 137, Colleen Cain, hidden score; top points for sportsmanship, Martha Carr;

Group 4, boys 10 and over, Bill Forhan, 133, Don Zogalo, 124, and Jack West, 124; point leader in sportsmanship, Francis Lewis.

**China To New Cars,
Paint To Fashion
On Display At Rink**

Newmarket Arena will be the scene of the fourth Annual Trade Fair which will open on Wednesday evening at 8 p.m. and remain open afternoons and evenings until late Saturday night. An extensive program has been set up to fill the four days with a variety of experiences for the fair-goer.

There'll be over 30 separate exhibits which will range from latest model motor cars to exhibits of fine china, demonstrations of appliances, showings of fall fashions and interior designs, films, and farm machinery.

The fair, in short, will be a representative sampling of what the Newmarket businessman can offer his customers.

After a modest beginning in the town hall, as an adjunct to the annual gladiolus show of the Newmarket Horticultural Society, the Fair has blossomed into an annual event of considerable importance to Newmarket and district.

Visitors at earlier fairs have seen displays which were not otherwise available to the public, including showings of fine jewellery and a valuable china collection. This year's fair promises to maintain those standards with all the latest and the best in merchandise being shown.

Additionally, there will be bargains in goods which will attract the thrifty shopper. The fair will be opened by Mayor Vale on Wednesday night.

During the fair, Mr. Penny, staff organist for the Heintzman Piano Co., will play regular programs on the Hammond organ. At intervals to be announced, pupils of music teachers in Newmarket will present separate

programs. In the total, it will mean that fair-goers will be treated to a continuous program of fine music by experienced musicians.

As in other years, the exhibitors have arranged for special give-aways and free draws for those attending the fair. In one respect, the fair follows the tradition of a colorful exhibition; in another, it more resembles a vast bargain basement for those attending.

The following is a list of the exhibitors: Eves Ladies Wear, J. L. Spillette and Son, Ang. West, Newmarket Co-Op, Ray Jelley Heating and Plumbing, Newmarket Furniture and Electric, the three drug stores of Newmarket in a combined booth, Marigold Gift Shoppe,

Smith's Hardware, Senecal Dry Goods, Hooker's Ladies Wear, Perrin's Flowers, Jack and Jill Shoppe, H. L. Stephens and Son, paint and wallpaper, Tom Birrell, Ford dealer, Dyer's Furniture, Stew Bear Appliances, Bert Budd, camera supplies, R. C. Morrison's Men's Wear,

Geer and Byers, Chevrolet and Frigidaire, Morton Brothers, Pontiac dealer, Bob Yates Jeweller, Boyd and MacMath, Insurance, Newmarket Sports and Cycle, McCaffrey's Flowers, Ward and Allan, Massey-Harris dealers, Constable and Magee, International Harvester, Elman Campbell, china and glass, and the Health Unit.

Hort. Soc. Glad. Show

Many prizes are being offered this year to exhibitors in the Newmarket Horticultural Society's summer show. The show, which is one section of the fourth annual summer show and trade fair, is being held under Ted Adam's store, entrance from Cedar St. opposite Rusto's warehouse, on Saturday, Aug. 16. It is open to the public from 2 to 10 p.m.

The Charles Harman cup will be awarded for the best gladiolus in the show, and for the best spike of gladiolus introduced after 1946 there is the Russell Hughes cup. Howard Proctor has offered a cup for the most points in the vegetable section.

A \$10 donation from the Bank of Montreal serves as first and second prizes (\$6 and \$4) for class 97 - decorated basket of gladioli, quality and variety to count, any foliage. A similar donation from the Dominion bank will provide a first and second prize for section 145A - best display of cut flowers, annual and perennial, open to all. The \$10 donation of the Bank of Toronto provides the prizes for class 114 - best basket asters, any variety.

For the beginner scoring the highest number of points in that section there is a bag of plant food which has been donated by Perks' Feed Mill Ltd. Sixty plant prop stakes, one-third of a donation from Earl Weddel, will be given to the exhibitor gaining the highest number of points in the August 16 show. Similar awards were made in the iris and peony shows to the exhibitor with the highest number of points.

All exhibitors in the society's summer show will have an opportunity to try for the T. Eaton Co. trophy, a silver and crystal vase, \$10 which is awarded to the exhibitor with the highest

number of points in the flower shows only. Same cannot be won two years in succession. Second high then qualifies.

A draw open only to exhibitors in the society's summer show will be held on a \$15 basket of groceries which has been donated by Loblaw's, Newmarket. Each entry in the show entitles an exhibitor to a draw ticket. The draw will be held on the night of August 16.

All cups, trophies and awards will be displayed at the society's booth in the Memorial Arena during the duration of the summer show and trade fair, August 13 to 16. Other cups on display will include the Harold Gordon cup for the best iris in the iris show and the Mrs. C. Fildey cup for the best peony in that show.

A donation of \$60 from the Newmarket Manufacturers' association assists with the other prizes in the shows and the work of the society in the community.

**ADRIFT 11 HOURS
OVERNIGHT ON
LAKE SIMCOE**

A Toronto judge and his 12-year-old son drifted all night on Lake Simcoe when the motor in their launch failed Monday evening. Herbert Paxton and his son were back at their summer residence at Jackson's Point Tuesday morning after being adrift 11 hours on the lake.

The motor failed about 7 p.m. when they were north of Fox Island and about four miles off shore. The 23-foot boat had no sail and was too large to be controlled with oars.

They drifted a distance of nine miles and came into School Bay on the west shore of Georgina Island at 6 a.m. Tuesday.

LOCAL REPORT ON CONFERENCE**Newmarket Observers At Red Cross**

By Mrs. Horace Jaques
Newmarket

(Mrs. Jaques attended the Red Cross Conference as an observer one day last week.)

Over the entrance of the Royal York Hotel were the words "Welcome Red Cross" in English, French and Spanish, the three official languages of the 18th International Conference of the Red Cross. In the foyer flags of 45 countries were hanging and chatting beneath them were the delegates from all over the world.

Our pass was for "Junior and Youth Commission - Dining Room 9, Friday, August 1." We took the elevator to the mezzanine and at the entrance to the conference room were greeted by a commissionaire who examined our passes very carefully and allowed us to enter.

The conference room was crowded with tables and chairs, the tables were crowded with papers, booklets, microphones, head sets, water jugs and glasses. We were ushered to our chairs by members of the Canadian Junior Red Cross who are messengers and runners for the conference. Next we were given our own radio set and instructed on its use.

It was a little black metal box with a strap on it to hang it around your neck and a head-set of earphones. It is possible to move about the room while listening to it, but when we were sitting down we were glad to support it on a table or in our lap as it became heavy. On the box is a little flap which says "lift" and when you lift the flap your set is ready to receive. There is knob for volume control and another little knob with numbers on it and we were told to turn it to No. 2 for English, 3 for French and 4 for Spanish. We quickly dialed "2" on ours.

Interpreters at Work
Behind the chairman's table

were three glass booths with two interpreters in each and over each booth the words English, French and Spanish. As each speaker takes the floor his speech is translated into these three languages and you hear his speech in your own language through your earphones while watching him speak.

The chairman of the conference, came from Turkey and his name was Mr. Abut (pronounced like our Mr. Abbott). He spoke in French as did the officials from the International Red Cross in Geneva.

It was a thrill to watch the official delegates arriving and to try to decide what country each represented. Some were in native dress and others were close enough for us to read their name tags but many of them were a puzzle to us until they spoke. Each speaker announced his or her country before speaking.

We took pages of notes about the reports from the various countries and of our impressions of each speaker. As this conference had met before and was to continue meeting the next day we only heard reports from Ireland, Rumania, Soviet Union, Venezuela, Colombia, Spain, United States, Switzerland, Great Britain, Sweden, Israel, New Zealand, West Germany, Chile, Poland, South Korea, Indonesia, Yugoslavia, Italy and Canada.

Work of Juniors

In each country the Red Cross Juniors are learning the rules of hygiene, water safety, accident prevention and first aid. They are taught to help "shut-ins" and the blind. They donate money to help children in their own country and in other countries where war has brought about suffering and need. Its motto is: "Service! Youth in the service of youth for greater happiness now and a better future for all!" The members correspond with other Juniors all over the world through the International School Correspondence. All delegates felt that this was a further aid to international understanding. The children also exchange drawings, paintings, posters and dressed dolls. These bridge the barriers of language and give the children a feeling of friendliness for children of other countries.

At the conference there is an art exhibition of over 300 pieces from 36 countries. These were typical of the children from Argentina and Australia right through the alphabet to Venezuela and Yugoslavia.

In most of the countries Junior Red Cross is organized in the schools and in several it is done through the Boy Scouts and Girl Guides.

Hope For Future

At the close of the afternoon session Mr. Louis Verniers, league adviser on educational and youth problems, presented an exposition on "The Junior Red Cross and Present Day Educational Problems." Part of his conclusion read: "Junior Red Cross activities can easily be fitted into the normal school program. They constitute an invaluable aid for teachers who understand them; they inspire enthusiasm in the minds and hearts of the children who practice them; they are an insurance of survival for the Red Cross and a source of hope for humanity."

The United States delegate stated that they thought teachers should be considered the highest type of Red Cross Volunteers for their work in organizing Junior Red Cross in their classes.

Hearing the different languages spoken, feeling the spirit of international friendship between many nations and sensing the tension between others was a thrill of a lifetime.

The conference adjourned to meet again the next day. We wanted to go again!

A large group attends the reading classes every day, shown above, being conducted by Mrs. Lothian at the Lions Club Park. The summer program, sponsored by the Newmarket Lions club provides organized recreational activity for an average of 175 children a day. Below are some of the youngsters who stood high in point standings the first part of the season. Left to right are Don Zogalo, Bill Forhan, Colleen Cain, Mary McGuire, Martha Carr and Carol Hartling.

KESWICK

Mr. and Mrs. Winterstein of Abbey, Sask., were recent guests of Mr. and Mrs. Freeman Pollock.

The Christian church picnic which was to have been held on Monday at the new York County park, Jackson's Point, was postponed indefinitely owing to Monday's rain.

Sports at Keswick Beach were postponed to Sunday, Aug. 10.

Miss Ethleen Kennedy of Niagara Falls and Mr. and Mrs. Hillary Kennedy of Sandford visited their mother at "Prairie Retreat", Keswick, on Monday.

Mr. and Mrs. Kirkland and son of Weston spent the holiday weekend at Rev. and Mrs. R. Serrick's home.

Miss Edith Siebenhaar of Cleveland is visiting her cousin, Miss B. Terry.

Mr. and Mrs. Frank Perry have returned to Toronto after two weeks' holiday at their Keswick home.

Mr. and Mrs. Gordon Gilroy and son Douglas of Oakville were holiday guests of Mrs. A. Gilroy.

Byron Cunningham, who has been ill in York County hospital, is at home and is progressing.

BOYER'S ROAD

On Sunday, Aug. 3, there was a happy gathering at the home of Mr. and Mrs. Frank Eastman, when Mrs. Eastman welcomed her brother, Jack Keneer of South Edmonton, after an absence of 43 years. Mrs. Keneer accompanied her husband.

Other sisters and brothers present were: Mr. J. Keneer of Brantford, Mrs. J. Keneer of Toronto, Mrs. G. Winchester of Hamilton, Mrs. E. Hill of Lindsay and Mr. Hill, Mrs. P. Bagshaw of Oshawa, Mrs. E. Johnston of Lindsay.

Mr. and Mrs. Jack Keneer will return to their home in Edmonton in late September by plane.

Mr. and Mrs. Jim Porter attended a reunion for school chums of Mrs. Porter at Dundalk on Sunday.

Master Billy Hopkins is visiting his aunt, Mrs. Gordon Harper, for a week.

Mr. Bill Link and family have moved to Roche's Point.

Joan Thordarson of Newmarket spent the weekend at her home here.

Fred Cooper and family went for a trip around the lake on Sunday. They had supper at Orillia with Mr. and Mrs. Doug. Cooper and Mr. Charley Mills at the park.

KETTLEBY

Mr. and Mrs. Thomas Walker, Toronto, spent a few days with Mr. and Mrs. Stanley Barradell.

Mr. and Mrs. Leo Blackburn spent Sunday with Mr. and Mrs. Ross at King.

Mr. and Mrs. Robert Rank, Aurora, and Mr. and Mrs. Frank Curtis spent Monday at Nashville with Mr. and Mrs. Thomas Webster.

Mr. and Mrs. Jack Cummings, Montreal, are spending their vacation with Mrs. Cummings' parents, Mr. and Mrs. J. E. Blatchford.

Mr. and Mrs. Geert Tienkamp spent Monday with Mr. and Mrs. Emmett at Islington.

Mr. and Mrs. Bonwick, Ottawa, and Mrs. Deanna Dik, Toronto, spent Tuesday and Wednesday last week with Mr. and Mrs. E. Tienkamp and family.

Mr. and Mrs. Hollins of Toronto were Sunday guests at the home of Mr. and Mrs. John Tienkamp.

Miss Beatrice Clarkson, Lansing, spent the holiday weekend at the home of Mr. and Mrs. Harry Webster.

Mr. and Mrs. George Rymal and family, Agincourt, spent the weekend with Mr. and Mrs. E. Tienkamp.

Mr. and Mrs. Costen, Toronto, were Sunday guests at the home of Mr. and Mrs. Wm. Tienkamp.

Mr. and Mrs. John Little and family spent Sunday with Mr. and Mrs. Lachlan MacKellar and family of Beaverton. Miss Wendy Little who spent a week there returned home with her parents.

Mr. and Mrs. Thomas Blackburn and Mr. and Mrs. Allan Elterby, Weston, were Sunday guests at the home of Mr. and Mrs. Herbert Webster.

Queensville News

Mr. and Mrs. R. A. Semple of Tottenham visited Mr. H. Hulse on Thursday night.

Misses Marian Warren and Ann Kavanagh had their tonsils removed at York County hospital at Newmarket on Tuesday.

Mrs. Chute of Kingston, Nova Scotia, spent several days with Mrs. H. Kershaw.

We welcome Rev. and Mrs. Erickson and baby who have moved into the Weddell house, recently vacated by Mr. and Mrs. H. Kershaw.

Our fifth sports day was a real success. We were very favored by the weatherman as rains and storms seemed to go all around us. Only a very light sprinkle came, not enough to stop the ball game.

Many relatives and ex-residents renewed acquaintances on Saturday. Each year their many friends look forward to welcoming them at our sports day.

The rink cafeteria supper was excellent and very efficiently served. Mrs. F. Weddell and Mrs. Lou Irwin appreciate very much the fine co-operation, donations of food or money, and the help the women so generously gave.

The same co-operation carried over to each part of our sports day. We feel this is the only way our day can be a success. Everyone's help and co-operation is needed and was gladly given. The executive says a great big "Thank You" to everyone.

Weekend visitors of Mrs. Robt. Stiles were Dr. and Mrs. J. H. Stiles of Toronto, and Mr. and Mrs. Max Stiles and family of Newmarket.

Blue Cross subscribers, this is your final notice that your fees are due. They are payable on Aug. 12 or 13 to Mrs. A. J. Milne.

Mrs. Max Batt and Morley spent the weekend with her brother, Mr. H. Hodgson, at Sundridge.

Mr. and Mrs. Wm. Dew and Mr. and Mrs. Bob Arnold spent a couple of days at Gravenhurst, and also enjoyed the 100-mile cruise on the Muskoka Lakes.

Miss Marilyn Miller of Toronto spent the weekend with Miss Hilda Andrews.

Miss Marguerite James of Collingwood spent the weekend with Mr. and Mrs. Murray MacMillan.

Miss Jean Barnes of Ingersoll was a weekend guest of Mr. and Mrs. Don MacMillan. Miss Barnes will be teaching the next school year at Goose Bay, Labrador.

Miss Barbara Peters of Toronto spent several weeks with her grandparents, Mr. and Mrs. John Grant, while her parents, Mr. and Mrs. Earl Peters spent their holidays in Colorado.

Mr. and Mrs. Angus Smith returned on Monday and report a very enjoyable trip to the Pacific coast.

Mr. and Mrs. Fred Daw and family are spending two weeks at Elmhurst Beach.

The service in the United church for the next two weeks will be held at 11 a.m. with Rev. Warren of Aurora as guest speaker. Sunday school will begin at 10 a.m.

Mrs. Frank Milne is spending two weeks at Riley Lake.

Mount Albert News

The third television has been set up in town. Mr. G. Young was first, Mr. Lloyd McQuaid second and now Mr. Auckland.

Mr. and Mrs. Frank and family of Hamilton were visitors this week at the home of their sister, Mrs. Gordon Green.

Mr. and Mrs. Roy Carr spent Sunday at Woodville at the home of Mr. and Mrs. Ganton Carr.

Mrs. Stan Cain and Florence of Sutton and Mr. and Mrs. V. Mitchell of Newmarket were visitors on Sunday at the home of Mrs. S. Cain.

Mrs. Mary Rolling, Mrs. Esther Boyd, Mrs. Alice Totten and Mrs. Clement spent a week at Bruce Rolling's cottage, Lake Simcoe, having a lovely get-together.

Miss Eva Morrison visited Mrs. Sinclair over the weekend on her way from C.G.T. camp, Lake Simcoe, to her home at Kingston.

Mr. and Mrs. J. Arnold visited Dr. L. Stokes at Hanover over the holiday.

The streets in town are getting in rather bad condition owing to rains. Many places are washed out and may cause serious trouble if not looked after.

Mr. and Mrs. T. Mather of Kapuskasing are visitors at the home of the Misses Harrison.

Miss Adeltha Graham returned on Saturday from a fine motor trip to the western coast.

Mr. and Mrs. F. G. Draper, Mrs. Richards and Carol spent the weekend with relatives in town.

Mr. and Mrs. E. Wrightman, Martha and Catherine of Newmarket were visitors on Sunday of Mr. and Mrs. Sleeper.

Mr. and Mrs. Bruce Rolling and Betty were holiday weekend visitors at Mr. Lorne Clement's cottage at Penetang.

Mr. and Mrs. Eldon Sparrow of Mona Road were Sunday guests of Mr. and Mrs. Wm. Couper.

Mr. Johnson returned home with them after spending several months with his daughter, Mrs. Couper.

Rev. and Mrs. C. P. Shapter have gone to their cottage at Muskoka for a three weeks' holiday. Next Sunday the church service will be taken by the Young People's Union.

Mr. Carter of Toronto was a welcome soloist at the United church.

Any ladies of the church who have not as yet received envelopes for a gift to the new training school may still get them and hand them in later.

Mr. and Mrs. A. Lunan and Lynne spent last week on a delightful motor trip through Algonquin Park and Northern Ontario.

We were sorry to lose our shoemaker, Mr. Lou Campeau, who was also a handy man for many other jobs. He has secured a position with the army camp near Kempenville in the shoe department and our best wishes go with him.

Mr. Taylor Deal has been sent to an air force station near Calgary and left last week to take up work there.

Mr. and Mrs. L. M. Mainprize, Paul and Glen left on Sunday for a holiday motor trip. They expect to go down through the States to Boston.

Mr. and Mrs. Doug. Price were holiday visitors with Mr. and Mrs. H. Price.

The annual August meeting of the Mount Albert Bowling club will be held on Wednesday, Aug. 13, in the Community Hall at 8:30 p.m. All bowlers please attend.

Mr. and Mrs. Anglin and Mr. and Mrs. Williams of Toronto spent several days on a fishing trip in eastern Ontario.

Vandorf News

A pleasant evening was held last Wednesday evening at Vandorf Hall when neighbors and friends gathered in honor of Miss Muriel Pattenden whose marriage to Mr. Arthur Preece took place on Saturday in Wesley church. After a short program of community singing and solos by Mrs. Grant Morley with Mr. Grant Morley at the piano, the happy couple were showered with lovely gifts. Lunch was served by the ladies.

Congratulations are extended to Mr. and Mrs. Arthur Preece (Muriel Pattenden) whose marriage took place on Saturday, Aug. 2.

Mr. and Mrs. A. C. McTaggart and boys are holidaying in Nova Scotia.

Mr. and Mrs. Alex Mitchell, Marilyn and Jimmie; Mr. and Mrs. Tom Marshman, and Mrs. Frost, all of Toronto, spent the holiday weekend with Mr. and Mrs. Harold Sleeth.

Misses Ruth and Joyce Sleeth, Mr. Angus Grant and Mr. Bob Rostance spent the holiday weekend at Sparrow Lake.

Mrs. R. Vicks visited her sister, Mrs. Frost, at the home of Mr. and Mrs. Tom Marshman of Toronto last weekend.

Mr. and Mrs. Sidney Aylett and family spent the holiday weekend with friends at Port McNicoll.

Mr. and Mrs. Charlie Scott, Donna and Linda of Leaside, spent the holiday weekend with their parents, Mr. and Mrs. W. Kingdon, and Bill.

Miss Jennie Herman of West Hill spent the weekend with Mr. and Mrs. H. A. White and family.

Mr. and Mrs. Harold A. Duncan and Erma had Sunday tea at the home of Mr. and Mrs. H. A. White.

Mr. and Mrs. James Oliver and their daughter, Ruth, are motor-ing to Quebec where they will meet their friend, Miss Sylvia Smith, who has been visiting her relatives in England.

Mr. and Mrs. Herbert Oliver had Sunday tea with Mr. and Mrs. Herb Nelson of Victoria Square.

Mr. and Mrs. John Irwin, Johnny and Barbara, had Sunday dinner with Mr. Irwin's mother, Mrs. J. Irwin of Stouffville.

Rev. E. C. Moddle and Mrs. Moddle will spend their holiday at their cottage in Manitoulin Island.

Special services will be held at Wesley church during the month of August at 11 a.m.

MOUNT ZION

Mr. and Mrs. Clifford Cox, Toronto, have moved into Mr. Charlie Rye's house on the sixth line.

Mr. Elgin Cole motored to Kitchener on Sunday, accompanied by a couple of friends.

Mr. and Mrs. H. Cole attended the services at Pefferlaw on Sunday evening.

Rev. and Mrs. Berry had Sunday dinner with Mr. and Mrs. Vern Kellington.

Sunday services are Sunday school at 10 a.m., worship at 7:30 p.m. The next W.M.S. will be at Mrs. Vern Kellington's home on Wednesday evening, Aug. 13.

MOUNT PISGAH

The monthly meeting of the Mt. Pisgah W.A. will be held at the home of Mrs. George Boynton on Wednesday, Aug. 13, at 2:30 p.m. Mrs. Chester Patten will give the devotional. Roll call will be: "A way in which we can witness". This is the annual missionary meeting and Mrs. George Leary will be responsible for the program.

Miss Helen Wells has accepted a school near Matheson in Northern Ontario and will commence her teaching duties there in September.

Miss Connie Bradshaw, Toronto was a holiday guest of Mr. and Mrs. Harvey Biddlecombe, all of last week.

Mrs. Bernard Kays left on Saturday of last week for a three-week motor trip to Northern Ontario and the western provinces. She is accompanying her brother, Mr. Walter Smook, Mrs. Smook and Valerie.

We are pleased to see Mrs. Wallace Scott out again after her recent illness.

The W.A. meeting which is announced in another paragraph has been changed from August 13 to Aug. 20. Mrs. DeBac is to be the guest speaker and will talk on her family's experience with the communists before coming to this country.

There will not be any church service at Mt. Pisgah United church for the next two weeks. Sunday school will continue as usual at 11 a.m. On August 24 a group of Wesley young people will conduct the church service and on August 31 the Gideons will be on hand. Let us all turn out and support these workers on those two Sundays.

Sunday visitors of Mr. and Mrs. Metro Sudeyko and family were Mr. and Mrs. Thomas Johnson of Gormley and Mr. Sudeyko's sister, Mrs. Maloney, Mr. Maloney and family.

Miss Ivadelle Sudeyko spent the weekend with her aunt, Miss Hazel Johnson in Markham.

MAPLE HILL

Mr. Bruce Knights returned to Toronto on Monday after spending two weeks' vacation at his home.

A splendid attendance at church on Sunday but always room for more. Rev. R. Erickson preached a fine sermon on the judgment of the nations. Sunday school is at 10 o'clock and worship service at 11 o'clock. Young People's meeting this week at Queensville Baptist church on Friday evening.

HOLLAND LANDING

Mr. Harold Tate and his mother, Mrs. E. Tate, and Mr. and Mrs. Orval Jaques returned home on Sunday from a motor trip to New York City.

Mrs. Arthur Bellar, Mrs. Stanislaus Cooke, Mrs. Elsie Thompson and Mrs. Joe Kearns spent a few days in Buffalo, N.Y., last week.

Mr. and Mrs. O. Riches and baby are visiting their mother and brothers, Mrs. S. Cooke, Gordon and Billy.

Mr. and Mrs. A. Roberts and family, Bradford, visited Sunday with Mr. and Mrs. Ken. Harman.

Miss Mary Marsh and Miss Nellie Catling, Toronto, spent two weeks at "Marsh Manor", guests of Mr. and Mrs. Cecil Brittain and family.

The many friends of Claude Bolender are pleased to see him out after his illness.

Mrs. Frank Gleadall and Mrs. Durnford of Coldwater called on Mrs. M. Evans on Tuesday.

Starr Visits Oxford

This is the second of a series of letters sent the editor of the Era and Express by Stuart Starr, son of Mr. and Mrs. Elmer Starr, Pine Orchard. Mr. Starr is in England where he has been attending a series of conferences of Quaker young people.

Somerville College, Oxford, July 31, 1952.

Dear John:

We spent a week at the Young Friends conference at Reading, tearing the world apart and rebuilding it to our own specifications. I'm afraid that we didn't quite get the whole universe put back into its proper orbit, but we certainly had an exchange of views between east and west, and many of us will take home a much healthier respect for the people of Europe as they grapple with all the difficulties that face them.

If more people from different parts of the world could be brought together to discuss their problems as we did, I'm fairly sure that it would result in more peace and harmony than exist in the world just now. I don't mean that we reached agreement on all the vital issues. Far from it; but we did learn to understand and respect each other's feelings and convictions.

Leaving Reading Friday afternoon, we returned for a weekend in the hurly-burly of metropolitan London. Friday night we went to see "Henry VI" at "The Old Vic" and I think it is a tribute to British democratic feelings that our group did not start an "international incident". One member of our party, a native of Oklahoma, went to the theatre attired in his native cowboy costume of blue jeans and denim shirt, and they weren't even very

TELEPHONE MANNERS

Sorry, Wrong Number

By CAROLINE ION

This morning when, for the third time we came in from the raspberry patch to answer the telephone, only to discover that it was another wrong number, we began to wonder how many people misuse Alexander's invention. Perhaps the Bell Telephone Co. should have such instructions as, "speak clearly" engraved on the mouthpiece of each telephone.

Men claim, without any foundation, (that's a nervous tic and not a wink, my friend) that the vast majority of females abuse the telephone. Can't you hear one of them threatening now, "I'll have that thing taken out of the house." My, how unreasonable. After all he only tried for three-quarters of an hour to reach his spouse by phone.

The strong, silent sex claim that too many girls use the telephone as a bond of friendship rather than as a means of communication, discussing the baby's formula, a simply divine hat at Eves or what Mrs. So-and-so wore on the Main St. yesterday.

Women excuse such lengthy conversations by saying that since the town has grown so much they never have an opportunity to call upon an acquaintance who lives at the other end of town. So, they visit by phone. Besides, they don't have to dress-up for such occasions. "We're just trying to save time," they explain to their confused husbands.

But to get back to the business of wrong numbers. Seems too many people are careless about their articulation. ("Is that as bad as halitosis? Never noticed that one in any of the ads.") Our number is 993 so we have calls for Arctic Lockers. Their telephone number is 99. Some folks say, "99, please" and it comes out "993".

Why only last week we answered the phone to be told, "This is Bell's Corners calling." "Yes", we answered, wondering what they could want from us. We weren't long remaining in ignorance, for the voice continued, "50 pork chops, . . .". We thought we were well-stocked when we had four or five of them for dinner.

French's Beauty Parlour has 593 for their phone number. The way some people, mostly women, say their five sounds like a nine, so operator rings 993. "Could you squeeze me in today for a shampoo and wave?" "Is it time for a re-dye?" "This is Mrs. Blank, could I have an appointment for a cold wave?" And so on and on it goes.

We are just nasty enough, to make all these appointments and for the same hour, too. "He, he, he," we chortle to ourselves in malicious glee. "It's going to be crowded at French's today." But, then before we can succumb to these temptations we think of Nora and realize that it wouldn't

mission only at the gate, which is closed at 11 p.m. As one professor informed us, the undergraduates are not regarded as adults but are treated as strictly juveniles.

In the centre is a large rectangular court yard, and the buildings of the college are around it. There are also smaller courts or gardens wherever there is room, and of course, a profusion of flowers, shrubs, and hedges. There are no colleges in session just now, so we don't see the place at work, but in holiday garb.

Contrary to common conception, Oxford is also quite an industrial town and railway centre, so there is plenty of bustle, traffic, and noise. I'm sorry to say that because of the lack of rain the grass is extremely brown. However, one thing that has impressed me about England is the profusion of geraniums wherever I go. They are at the peak of their blooms just now, and one would almost think it to be the national flower.

No More Flies!

10,000 FLIES CAUGHT HERE!

COMPLETE OUTFIT
 Includes half-gallon Fly Trap with Control Fluid sufficient for full season operation. \$5.70 postpaid.

AMAZING NEW MYSTERY SCENT TRAP LURES FLIES TO SURE DEATH!
Traps them, Kills them by Thousands

You never saw anything like it! It kills flies by thousands! It lures flies irresistibly to wholesale destruction with new Fly Scent that acts like radar! They fly straight into trap to sudden death.

Flies within 1/4 mile radius are drawn by mysterious scent that only flies are attracted to. No effect on beneficial insects—not even detectable to humans except at close range. Yet flies cannot resist its "call". House flies, green bottle flies, blue bottle flies, large flesh flies, screw worm flies, midges—They all succumb to the lure. They are drawn away from house, animals, even from barns, garbage and manure piles, to crawl right into escape-proof glass container and die with their eggs.

Just imagine! As many as 10,000 flies are caught in a single container. Here at last is real relief from the pests. Wherever there are flies, this sensational new outdoor fly trap is proving itself a boon—in backyards, on farms, dairies, livestock and poultry ranches—outside food markets, restaurants, fisheries, factories, hospitals, motels, etc. Use it outdoors to rid your place of flies—safely, surely, quickly.

END COSTLY FLY DAMAGE AND ANNOYANCE

Think of being free during hot summer days from biting, disease-carrying flies! Here's protection for your family—for pets, poultry, livestock. Order your "Big Stinky" Outdoor Fly Trap now. Complete with bottle of Control Fluid for only \$5.70 postpaid. Send check or money order at once. You'll be amazed when you see how premises are rid of flies. Money back if not satisfied.

Pages from the Editor's Notebook

Some seven years ago, we were in a party which went fishing off Sutton with Wellington Charles as guide. It was blistering hot day without a breath of air on the lake and we spent most of the time beached on the islands off the new York County park, drowsing in the sun and listening to Wellington describe his encounters with the tourists.

As we remember, Wellington was a peaceful man until a new-come white became a little too superior and then Wellington, as a representative of the original Canadians, would contrive to take him down a peg or two, usually with an effect which was funny to all beholders and a source of chagrin to the victim. We caught no fish that day, but we remember Wellington's tales with pleasure.

Remembering those tales, we are in some doubt about the news story which appeared in the Toronto papers over the weekend that he had sighted a "sea beast with a head about the size and shape of a bulldog's with shiny black fur." The animal circled the boat off Georgina Island and then disappeared. Wellington is sure it was not an otter, an animal he has trapped many years. He has named it "Igopogo" which is not to be confused with "Ogopogo" of the western coast.

There are mysterious depths in Lake Simcoe and there is always the possibility that a survivor of an earlier age has been waiting it out in those depths. The waters have left enough carcasses on the coasts of the world to leave open always the possibility that animals such as we have never seen continue to exist beyond our ken.

The more likely answer, however, is that the strange animal sighted by Wellington and party was simply another weekend visitor out for a long swim. It would be a natural error to confuse such a swimmer with a sea monster as a stroll along the beaches on a hot Saturday will confirm.

Mr. Richard Senecal has been putting a new front on his store and the work has attracted considerable interest along Main St. The location of the job has made it most convenient for members of the Main St. Sidewalk Superintendents Association and Chowder Society to keep a sharp eye on progress.

Mr. George Hudson, an honorary member of the society has been on the job almost daily

and he has been assisted by Mr. Albert Skelton who has made himself freely available for consultation when some point in the job was under discussion. In our capacity as editor, we too have followed the development with keen interest and are pleased to report that the work is progressing in a most acceptable manner.

There have been some dramatic moments during construction and Messrs. Hudson and Skelton report considerable excitement among lay-members of the Association, notably when the overhead work was begun and when the joists were bared.

As is customary, the Association is forwarding a resolution of thanks to Mr. Senecal for providing such interesting "viewing" and taking the unprecedented step of publicly thanking him for not erecting a barrier around the job. In the past, the Association's work has been hampered by high board fences with a minimum of knot-holes. Mr. Senecal did not erect any barriers and the Association had a clear view of all that went on. This co-operative gesture on the part of Mr. Senecal has been much appreciated.

Canada has been the subject of all sorts of pleasant comment from United States magazines and newspapers. The current issues of Colliers and Fortune have extensive "Canadian" sections and last week, the New York Times had a flattering report on this country.

We are variously described as "the giant of the north" stirring from his sleep, as "flexing our muscles" and doing all sorts of other exciting things. It is all very titillating to a people who have since their history began lived in the shadow of the accomplishments of their neighbors to the south. Nothing seems more likely to improve our inferiority complex than praise from the Americans.

But if this sort of thing keeps up, we're likely to become balloon-heads, so perhaps it is just as well that the admiration of Fortune et al is not always shaped nor appreciated by those who live closest to us, the clerks of the retail stores in the American border cities, who still refuse to accept our dollars at their value, and the visitors up for a weekend who are quite indignant when their dollars are discounted.

From the Files of 25 and 50 Years Ago

AUGUST 5, 1927

Quebec officially welcomed Edward, Prince of Wales, Prince George, and premier Baldwin to Canada. Never before has such a distinguished party set foot on Canadian soil nor has such a picturesque and glorious ceremony taken place.

The service station at the corner of Eagle and Yonge is now open for business and is not only a convenience to motorists as well as a safeguard to travel, but a beauty spot in the community. Mr. Harry Smith deserves credit for his enterprise.

Sir Harry Lauder, the famous Scottish comedian, who is in Canada at present, received word that his wife died in a Glasgow nursing home following a brief illness.

Building operations are about to commence on the new school house at Keswick. Mr. Russell Ewing of Newmarket, a former Keswick boy, has the contract.

Mr. Hoover Walker, Orchard Beach, has made great changes on the old Fred Ross property and intends to install electric power in place of the windmill.

Weather permitting, Sutton will have one of the largest horse shows in the Dominion this week. There are so many horses entered that notwithstanding the new stables, the directors are having difficulty finding stable room for them.

AUGUST 8, 1902

Anybody wishing to see tobacco grow can satisfy their curiosity by visiting Mr. Wm. Denne's farm on Srigley St.

Yesterday morning, while Mr. Geo. Trivett was helping to roll a large log at Cane's Factory, his right ankle was dislocated and a bone broken. It will lay him up for a few weeks.

Last Friday the second son of Mr. John H. Proctor, Yonge St. was badly injured by falling off a horse. It appears that the horse was harnessed for work and Harry was riding on its back. Harry was unconscious when picked up and remained so for several hours. He was badly bruised about the head and body and was in a very critical condition for a couple of days, but we are pleased to report that he is now considered out of danger.

The New Queen City Oil Company is now shipping coal oil here by tank cars. The oil is pumped into the large reservoir at the depot and is then drawn off into a fine tank wagon and delivered to wholesale customers by their agent here, Mr. Wm. Denne. The wagon went into service on Monday and holds over 400 gallons. Mr. Denne expects to supply merchants at Sharon, Queensville, Holland Landing and Bradford. He has a very complete outfit.

THURSDAY, THE SEVENTH DAY OF AUGUST, NINETEEN HUNDRED AND FIFTY-TWO

TRADE FAIR

Newmarket's fourth annual Trade Fair opens in the arena next Wednesday evening and continues until Saturday. Preparations for the fair have been elaborate and it promises to exceed in color and variety the fairs which have preceded it. Although the fair is under the original sponsorship of the Newmarket Horticultural Society, it is planned and administered by a committee of merchants whose chairman this year is Mr. R.C. Morrison. The success of the fair is a shining example of what can be accomplished by co-operation and determination to succeed.

The theme of this year's fair as indeed it has been for all of them, is a presentation of the goods and the services which can be had locally. Newmarket businessmen are keenly aware of the competition from Toronto and as a general rule, they believe they can match or improve upon anything that the city can offer the prospective buyer. The Trade Fairs give them an opportunity to demonstrate that faith.

"Buy at home" is more than just a business slogan; it is an expression of faith in your community. We are all of us dependent to a degree on our neighbors and this dependence, expressed through contributions to community causes, through neighborliness, through support of local government and local undertakings, extends no less to our business community. What our businessmen can offer us in return will be displayed at the Trade Fair.

DO BOTH JOBS NOW

The Newmarket council is confronted with two major undertakings, the renovation of Main St. and the building of a sewage disposal plant. Some members of council believe, however, that as necessary as both projects may be, it would impose too great a strain upon the town's tax-rate to begin them both now. Yet there seems little choice. The Main St. work will be half financed by a grant from the county, half of which has been already allocated and the other half to be paid next year. If the work is not undertaken this year, there is every possibility that Newmarket may lose this assistance.

At the same time, there is increasing pressure upon the town to build the sewage disposal plant. This project has been delayed beyond the patience of good sense and the public health authorities. There is every indication that the province's attitude will stiffen and if Newmarket does not begin the work soon, it is just possible it will no longer have any choice but will be ordered to begin at once.

Some clue to the attitude of council towards these issues was evident in the remarks of Councillor Charles VanZant. Two weeks ago, he proposed that the sewage disposal plant be given priority over the Main St. work on the grounds of public need. Last week, however, he favored the Main St. work because of the availability of the grants and the present high cost of maintenance, money which will for all practical purposes be wasted if the street is not properly rebuilt.

The presentation of one argument does not nullify the worth of the other. The sewage plant must be built soon and work must begin on Main St. Both jobs are equally pressing and since they both must be done sooner or later, we do not understand the delay. The cost of both projects will be debentured for. Delay one of them a year, say, and Newmarket would have only the debenture cost of the other to pay for that year but for the most part of the debenture periods, both are going to be on the tax-rate at the same time. We have not found that unpleasant medicine tastes better when taken in two gulps instead of one. The savings on that first year would not justify a delay in either undertaking.

It is unfortunate that both these major undertakings should be required at the same time, but a large part of the reason for it exists in the past and is beyond correction. Both projects have been delayed, rightly or wrongly, in favor of other needs. It just happens that there is no longer room for further delay. We think that if members of council recognized this fact and proceeded with both projects, they would better serve the town than they would by further delay. This is the price that Newmarket is paying for expansion and it is as certain as death and taxes that each year will see a further increase in cost of municipal operation. The sooner this work is done, the cheaper it will be in the long run.

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

UNFAIR SHARING OF COSTS

It is intended to finance the renovation of Main St. under a local improvement plan through which the Main St. property owners pay half the town's cost and the other half is paid from the total tax income, to which, of course, Main St. property owners also contribute. Local improvement payments are the standard means of financing such work on residential streets. We think it wrong to apply the same "half and half" payment principle to Main St. Main St. property owners should pay more than, say a resident of Millard Ave., but we do not think they should have to pay over half the cost of the work.

The argument on behalf of local improvement taxation is that the residents along the route of improvements receive direct benefit whereas other residents receive only incidental benefit. The former should therefore pay more for their paved street, their sewer pipes and their sidewalks, than the latter. This is sound enough when applied to residential streets and the yardstick of "half and half" payments is fair. But there is no comparison between the main street in a town and its residential side streets, and the division of cost should reflect this.

Main St. property owners should pay more than the residential street taxpayers but not as much as half the cost. The main street is essential to the town; it is the back-bone of the town. Everyone uses it whereas a good many never travel some of the side streets. A good main street is a contribution to the prosperity of the town by which all benefit. The main street is the community street whereas the side streets are more localized. Could Newmarket seriously consider a gravelled Main St. in preference to paying the cost of rebuilding it? Such preferences are encouraged by the requirement of petitions for residential street improvements.

There is no doubt that Main St. property-owners should pay a portion of the cost of improvement to the street but it would be grossly unfair to charge them the same proportion that is charged on residential streets. There is no comparison between the two, and the charges should be scaled accordingly.

CHALLENGE FOR THE MAYOR

We are attempting to raise a committee of Newmarket citizens whose purpose will be to finance, manage and coach Mayor Joseph Vale's entry into the International Plowing Matches challenge competition for the Mayor's Cup. We've not yet discussed the matter with his worship, believing that if he is confronted with the completed arrangements he will be more amenable to the project.

Briefly, the background to the undertaking is this: Mayor Charlotte Whitton of Ottawa (a stronger defender of her sex there no'er was) has put up a Mayors Cup to be competed for by Ontario mayors at the plowing matches. So far, there have been four entries, Mayor Whitton (who has been practising), Mayor Smith of Woodstock, Mayor MacKenzie of Beaverton and Mayor Allan Lampert of Toronto.

Now, there's more to this than simply bringing back the cup for the honor of Newmarket. Mayors Smith and MacKenzie are also women and under ordinary circumstances, Mayor Lampert could hold his own. It would be a most unfortunate circumstance, however, if the mayor of Toronto were to win what is essentially a test of rural skill. We are not familiar with Mayor Lampert's background. It could be that he went to a little red school house and trod his father's fields in his bare feet as a boy. It is the present that counts, however, and we doubt that rural Ontario would ever again hold up its head if Toronto became the home of a plow match cup.

So, Mayor Vale, it will be up to you to redeem the situation. On your shoulders will rest the hopes of all good men and true and the hopes of rural Ontario. Will you accept the challenge?

REDS IN THE RED CROSS

What lingering hopes that communist and non-communist worlds could find some basis of common action were surely dispelled at the Red Cross conference in Toronto last week. There was no common meeting on even such basic grounds as the Red Cross work of mercy which knows no political division, caste or color.

The Reds did everything they could to turn the conference into a sounding board for their propaganda. There is no question that their appearance at the conference was motivated only by the desire to sow falsehood and dissension. It is nothing less than self-delusion to believe that the two worlds can ever be reconciled.

Office Cat Reports Catnips By Ginger

General MacArthur, in his Republican keynote address, said that the U.S. should get back to the tranquil days of Lincoln.

Similar feelings have been voiced in Cuttin' Corners. Mayor Maynott's regime has been threatening secession and there has been unrest over what Corners politicians call over-riding governmental control.

"We are losing our autonomous rights," says Maynott. Governments on both provincial and federal levels have been poking finger, at municipal affairs when, he says, they have no business doing.

"We must get back to the tranquil days of Walbald," said Mayor Maynott at a rate-payers' meeting Tuesday night. They mayor's wise suggestion was greeted by loud cheers.

But who was Walbald? Slim Bliggins, seated in the audience that night, leaned over to the town clerk, Handwell Shakin, and said, "Who's Walbald?"

He, in turn, leaned over to someone in the audience and whispered, "Who was Walbald?" Someone shrugged his shoulders. Others, too, asked who Walbald was.

The high school history teacher could not recollect Walbald in Canadian history.

"The Mayor was referring to someone who was tranquil in Canadian politics, I suppose. Look it up. Maybe he was prime minister," I told Slim.

When Slim returned from the library, he still had not found the answer. "Maybe he was in the opposition," said Slim.

"It just shows how much the average Canadian knows about the history of his country," I said.

"Well, maybe the mayor's right," said Slim. "Maybe we should get back to the tranquil days of Walbald. Our whole economic and governmental system is getting too complex. In fact, I think the pace we're going at is only leading us to a serious downfall."

"Where is it going to end?" continued Slim. "I ask ya. Here we are payin' more and more income taxes and the people is wantin' more and more handed to 'em on a silver platter."

"Look at the baby bonus we gets. But we only pay for it in income taxes. Social security, bah!"

"This here country is going into the wrong direction. TI people is just like shee. Where is our democracy? tell you we haven't a democracy any more because people are like sheep. All the want is for someone to look 'em, put 'em in the hospital if they need it and let 'em free."

"Well, now that you put that way, maybe he was right I said."

"Who was?" said Slim. "Walbald."

"Is that what Walbald said? I dunno. That's what said he said. You said maybe Walbald was right a all. You said that our economic governmental sys is getting too complex. TI what you said."

"Yes," said Slim. "But didn't know that Walbald where it came from. We sure didn't know that he a political theory like that. You mean Walbald?"

"Yes." "I wonder who he was. don't recollect him in the story books."

"I dunno," I said.

by "Dairy Farmer" The Top Six Inches

The cost of living index is up again this month. It is a very small increase and it is blamed on an increase in the price of food. This of course gets a lot of publicity and gives the impression that farmers are doing just fine and complaints about food and mouth disease and the other grievances are nonsense. After all, month after month when the cost of living index goes up, it is food that is causing it.

Last month, potatoes were the cause and this month it is eggs, and beef, lamb and pork. For two successive months the price of pork has been up but we all know that the price of pork has been the same to the farmer since the end of last year.

The net result of all this is that food and farm products in general get bad publicity and no farm organization has attempted yet to do anything about it. We want to make it clear that we are just as interested as the next man in why the cost of living is up. If it is food that is causing it, well and good. But at the same time, we wish that somebody would add some foot notes to explain it. Let us tell you a couple of instances where some explanation should be in order.

Eggs are always high in price in certain times of the year. They were very low last winter and this spring. As the price of eggs was going down other factors covered up the decline. Something like rent or textiles would be up and the steady decline in the price of eggs would go unnoticed. That was time when our own publicity men should have pounded away at it and pointed that here is a food item that is down, month after month. Now eggs are coming up in price. We doubt if they will go as high as they were last year. With other items stable, the increase shows

up. Another example shows the need for better relations is this business. There is only one why the pork product, purchased in the retail store and that is an increase in the cost of processing it. People just say the farmer more for pork. Proper relations would go a long way to point out that price producer is not the fact the increase.

There are a lot more like these. It would be interesting to show for a cost of living index would divide the cost of labor, distribution and producer.

We have no more than acquaintance with economics. It seems though that the one the Federation should insist is that when the Bureau of statistics publishes these they shouldn't talk about beef and lamb, names should be copied for the use of farmers; ducks. It should use precision, retail cuts or

The Federation should insist that products of oil meats or something through a yearly price should be treated differently. After all, when the fates come on the market are a luxury, and eggs expensive in August and term. These well defined price cycles should be grouped for the same as rent that goes up and other items which are under the laws of demand.

That is the law, which will give you your wheat now and February, and the price finished product is always on \$2.30.

NOTICE
BY-LAW NUMBER 13
WHEREAS the board of Trustees of the Separate School for the Town of Newmarket is under obligation to pay for the additions and repairs to the present School, and for the purchase of furniture and equipment;

AND WHEREAS it is necessary to borrow money to defray the costs thereof;

THEREFORE the Board of Trustees of the Separate School for the Town of Newmarket

hereby enacts as follows.—The Chairman and the Secretary-Treasurer of the Board are hereby authorized on behalf of the said Board to borrow from time to time by way of promissory note from The Bank of Toronto a sum or sums not exceeding in the aggregate of Six Thousand and Two Hundred Dollars (\$6,200.) and to give, on behalf of the said Board, to the Bank, a promissory note or notes, duly sealed and signed by the Chairman and by the Secretary-Treasurer of the Board, for the moneys so borrowed at such rate of interest and on such terms as may be agreed upon.

PASSED at a meeting of the Board of Trustees of the Separate School for the Town of Newmarket held on the 22nd day of July, 1952.

Joseph Quinn
Chairman of the Board
A. V. Peppiatt
Secretary-Treasurer

I hereby certify that the foregoing is a true copy of Bylaw No. 13 of the Board of Trustees of the Separate School for the Town of Newmarket duly passed at a meeting of the said Board held on the 22nd day of July, 1952.

A. V. Peppiatt
Secretary-Treasurer

IN MEMORIAM

EADIE—In loving memory of our dear mother, Mrs. Mazo Eadie, who passed away 3 years ago, August 13, 1949. From our happy home and circle. God has taken one we loved; She is borne away from sin and sorrow. To a noble rest above. No one knows how much we miss her. None but aching hearts can tell. Lost on earth, but found in Heaven. Jesus doeth all things well. Sadly missed by her family.

CHADWICK—In loving memory of Harry Chadwick who passed away Aug. 12, 1944. Not gone from memory or from love. But gone to our Father's home above. Always remembered by Norma.

IRISH—In loving memory of Oliver W. Irish, who passed away August 4, 1950. Time speeds on, two years have passed. Since death its gloom, its shadow cast. Within our home, where all seemed bright. And took from us a shining light. We miss that light, and ever will. His vacant place there is none to fill. Down here we mourn, but not in vain. For up in Heaven we will meet again. Sadly missed by wife, daughter and son-in-law.

PEGG—In loving memory of a dear father and grandfather, Stuart Pegg, who passed away Aug. 11, 1950. Friends may think we have forgotten. When at times they see us smile. But they little know the heartache. That smile hides all the while. Lovingly remembered by daughter Joan, son-in-law Harold and children.

PEGG—In loving memory of a dear husband and loving father, Stuart Pegg, who passed away August 11, 1950. Those whom we love go out of sight. But never out of mind; They are cherished in the hearts. Of those they leave behind. Loving and kind in all his ways. Upright and just to the end of his days. Sincere and true in heart and mind. Beautiful memories he left behind. Forever remembered by wife Deane and family.

RIDDELL—In loving memory of a dear mother and grandmother, Anzoinetta Ridde, who passed away August 5, 1946. We cannot clasp your hand, dear mother. Your face we cannot see. But let this little token tell. That we still remember thee. Lovingly remembered by daughter Dora, son-in-law Bill and grandchildren.

SMITH—In loving memory of a dear father, James Smith, who passed away Aug. 9, 1951. Remembrance is a golden chain. Death tries to break, but all in vain. To have, to love, and then to part. Is the greatest sorrow of one's heart. The years may wipe out many things. But this they wipe out never—The memory of those happy days. Dad. When we were all together. Sadly missed by wife and family.

WEST—In loving memory of a dear son and brother, George West, who passed away August 9, 1941. Once again this sad day dawns. George. And my heart is filled with pain. Oh, this earth would be a heaven. Could I hear your voice again. It's someone at home without you, son. And sad the weary way. For life is not the same to us. Since you were called away. To the rest of the world you were only one. But all the world to us our son. Sadly missed by mother, dad, sister and brother.

WEST—In loving memory of a dear husband and father, George Henry West, who passed away Aug. 9, 1941. When all is still and silent. And sleep forsakes my eyes; I think of the silent grave. Where my dear husband lies. Lovingly remembered by his wife Della and son Kenneth and family.

YOUNGER—In loving memory of a dear husband and father, Wallace Younger, who passed away August 8, 1951. Sadly missed by wife and family.

CARD OF THANKS

Mrs. E. F. Streeter wishes to thank the many who so thoughtfully and generously remembered her in her long illness. Lord, for each friend whom Thou has given to be. A help, a comfort and a power to me. For all who have supplied my spirit's need. In any joy or sorrow, I would plead. Grant them their heart's desire. If it should blend. With Thy desire, who knowest all the end. In sevenfold measure grant them, Lord, I pray. The sympathy I never can repay. In every hour of sorrow do Thou be near. To heal, sustain, to cheer, and to befriend. Encircle them in Peace so deeply still. That, resting calmly on Thy changeless will. They may be wrapt in steadfast joy in Thee. And live the Risen Life more perfectly. (Composed by Mary G. Peters, one time missionary-nurse in China.)

CARD OF THANKS

I would like to take this opportunity to thank so many for helping to make the fifth annual sports day at Queensville such a success. A tremendous amount of work is entailed in arranging for such a day and it has been only by the splendid co-operation of all my committees that this has been possible. Special thanks is due to our advertisers, those who donated prizes and the countless number who still have a warm spot in their hearts for Queensville. My special thanks also goes to the head of each committee. I only hope that all will give their same co-operation to the 1953, president as they have done for me. Thanks to one and all. W. Murray Huntley President 1952

CARD OF THANKS

I wish to thank all my neighbors and friends for their lovely flowers and cards also the Yonge St. sewing circle for their flowers. Special thanks are extended to Dr. J. G. Cook and Dr. G. M. Peever and nurses and staff for their good attention and care of me while in York County hospital. Mrs. W. H. Verity

CARD OF THANKS

I wish to take this opportunity of thanking the management and staff of Briar's Dairy and all my customers, friends, neighbors and relatives for the lovely flowers, fruit and cards I received during my stay in the hospital. Special thanks are extended to Dr. Mahon and Dr. Edwards and the staff of York County hospital for their care. Bryon Cunningham

ENGAGEMENTS

Mr. and Mrs. Douglas Knowles, Aurora, wish to announce the engagement of their daughter, Jean Elizabeth, (Betty), to Mr. Philip Harford Davidson, son of Mr. and Mrs. William C. Davidson, Aurora, marriage to take place in Aurora United church, Sept. 1, at 3 p.m.

Mr. and Mrs. Albert Morrison announce the engagement of their daughter, Arlene Barbara, to Vincent Charles Casey, son of Charles Casey and the late Mrs. Casey. Marriage to take place Aug. 30 at Our Lady of Grace church, Aurora.

Mr. and Mrs. Frank Jordan, Mount Albert, announce the engagement of their daughter, Norma Jean, to Mr. Beverley Wallace Beach son of Mr. and Mrs. Walter Beach Stouffville. The marriage will take place on Saturday, Aug. 23, 1952.

MARRIAGE

MADILL—MARSHALL
On Wednesday evening, July 24, 1952, at the United church parsonage, Manilla, Ont., Mrs. Gertrude Marshall, of Manilla, was united in marriage to Mr. J. Albert Madill, Mount Albert.

AT HOME

Mrs. E. J. Ralston, Queensville, will be celebrating her 100th birthday on August 15, 1952. She will be pleased to have her friends and relatives call on her in the afternoon from 2 to 4 p.m. and in the evening from 7 to 9 p.m., at the home of Mr. and Mrs. John Aylence, Queensville.

Statisticians, reporting that sport fishing is big business in Canada, estimate it is worth an annual \$80,000,000 annually.

Wild plantain leaves, young and tender and cooked as a wild spinach, make a delightful substitute for the garden spinach.

There are 336 knit goods mills in Canada operating in 122 communities, and employing some 25,000 people.

Newmarket midget baseballers came up with a new moniker Tuesday. It's Little Giants from here on. They also came up with a 7 - 5 win over Richmond Hill in a North York Midget baseball league round-robin series play-down contest.

That victory moved the Little Giants into a first place tie with Aurora for the lead in the series. Jackie Mills, Coach Lowell Waller's starting pitcher, went the route for the Little Giants and though tagged for 10 hits, one more than his mates furnished, once past a disastrous first frame, in which the Hillers put together six hits for five runs, set down the Hillmen on four hits and didn't allow further scoring damage.

Successive singles by Norm Smart, Grant Morton, Fred Bennett, Jackie Mills and Merlyn Baliz enabled the Little Giants to wipe out the Hill lead with a five-run burst in the second. Little Giants went ahead in the fourth on Bill Bannister's triple and added an insurance run in the fifth.

Richmond Hill: J. Fowler, B. Stroker, D. Hart, L. Grainger, J. Pollitt, R. Leuschner, A. Robertson, J. Kingston, P. Baker. Newmarket: M. Bales, B. Bannister, P. Widdifield, B. Forhan, D. McKnight, N. Smart, G. Morton, F. Bennett, J. Mills.

Senior Ladies Humbled

Newmarket senior ladies suffered a 7-1 setback from Barrie Tuesday to close their regular season in the Barrie and District softball league on a sad note. The game was replay of an earlier rain-curtailed contest. The win shot Barrie into the league lead and left the Ruthven-VanZant nine clutching third place.

Dorothy Miller, a most troublesome gal—so far as our senior ladies are concerned this season, was at it again. Dorothy pitched four-hit ball and that, coupled with several glaring Newmarket errors, dropped our crew squarely behind the eight ball. Local honors on the offensive side went to Barbara Watt. It was Babs' homer in the second that stalled off Barrie's attempt to apply a shut-out.

Sarah Bardell, mid-season addition to the VanZant company, pitched good enough ball to win most games. She permitted Barrie single runs in the second and third and three errors, two walks and two hits got her smack into a pack of trouble in the fourth. Before the tumultuous innings had closed Barrie had put the game entirely out of reach with a five-run spurt.

Arva Thoms, Hester Clark and Barbara Watt connected for the Newmarket hits. Barrie hitters were Dorothy Miller and Evelyn St. Onge. Coach VanZant had to worry along without the services of Phil McInnis and Mary Osborne, sidelined with injuries, and vacationing Lois Darrach and Terry Reid.

King, 'Berg in Hot Series

King City and Schomberg have their disciples hanging on the ropes in their endeavors to declare a winner in their best of three Peel-York semi-final series. The two evenly matched sides have played three games—two ended in a tie—King triumphed 9 - 6 in the third.

We'll deal with this latter contest played Thursday under the Schomberg lights, first. King sprang a four-run uprising in the fourth and three in the sixth and backed Phil Hobson's eight-hit pitching with an 11-hit attack and near errorless ball to fashion the win. Bill Patton, Bob Gillis, Charlie Shields and Keith Kyle furnished two hits each for the winners.

Ken Ellison, the loser to Hobson in the pitching exchange, had help from Barney Graham with a homer and triple and from the Marchant brothers, Don and Doug, who got into the hit act with two each.

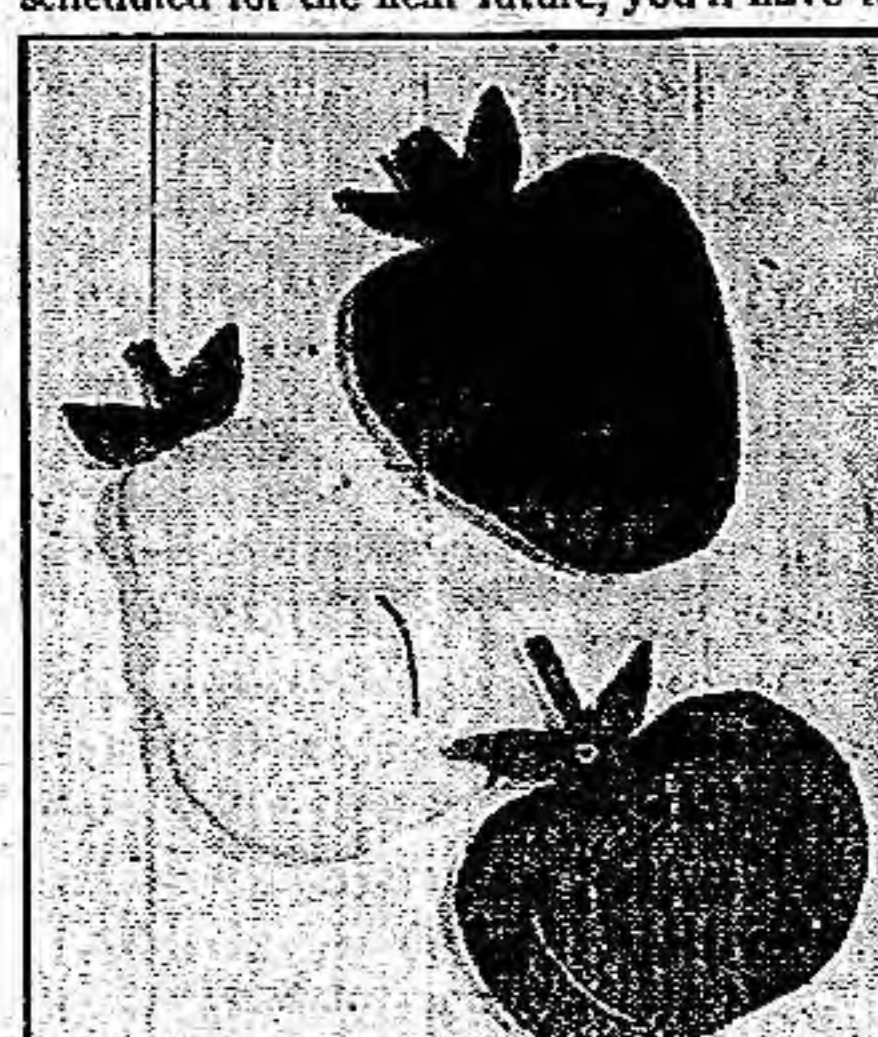

Tuesday the teams resumed at Schomberg, King City using a three-run first of seventh rally to gain a three all verdict. Hits by Doug Brown, Barney Graham, Walt Thompson, Murray Edwards, Don Marchant and Don Rainey powered Schomberg's early 3 - 0 lead, as the Bergers counted twice in the second and once in the fifth. Charlie Shields and Gord Orr were King big guns with a pair of hits and Joe Natalie whacked a double in the last of the seventh three run explosion.

MIXED TREBLES

A mixed trebles' tournament was held on Friday, July 25 at the local greens of the Newmarket Lawn Bowling club. Bowlers from the Stouffville, Aurora and Claremont clubs joined with the Newmarket group in the open tournament. There were about 30 players entered in the evening's games. Winners included: first, high with three wins, Frank Brammer and rink, second, high with three wins, Charles Willis and rink; high with two wins, Ernie Wright and rink; high with one win, E. Beare, Claremont, and rink.

by Pauline Roy

THE END OF SUMMER heralds the arrival of the bazaar season. Which, of course, means that many of you will be busy making articles to donate for the cause. Most bazaar donations are small articles that can be made quickly and sold for a nominal price. If your favorite bazaar is scheduled for the near future, you'll have to start soon in order to complete your piece in time. There are some very cute bazaar gifts that you can make. Crocheted coasters and jackets are popular items at bazaars. You can make them up in novel ways. For instance, you can crochet plain jackets and embroider numerals on them. Wonderful idea to prevent guests' glasses from getting mixed up.

Ideas for Bazaars

There are any number of scarfs and doilies to crochet in the popular pineapple design. Pineapple blends decoratively with any period; its beautiful with Colonial furniture, very much at home with eighteenth century English, has exactly the right flair for modern, graces with equal charm formal and informal settings. So you know that your donation along this line will come in for a lion's share of attention. Hot plate mats can be made in practically every size and shape you can think of to accommodate platters, tea pots, vegetable plates, tureens—absolutely everything that's hot stuff. They come in pairs and sets, oval and square and round to keep precious tables safe and sound. As for the potholders—they come in fun-making disguises like sugar and creamer and cup, or there's a whole family to hang over your stove—Ma, Pa and Susie.

Fresh, Bright Potholders. Bright cotton scraps can be turned into many useful and decorative things including pretty potholders. These three designs shaped like a pear, a strawberry and an apple, are padded and finished with a bit of embroidery. You can also use the patterns for pockets for aprons. If you would like to have a leaflet with directions for making THREE FRUIT POTHOOLDERS, just send a stamped, self-addressed envelope to the Needlework Department of this paper and ask for Leaflet No. E-533.

Marian Martin Patterns

by Marian Martin

It's darling! It's delightful! It's newest style for your child! Mother, this is a good investment of time and fabric! She wears dress and sun hat the rest of summer, jacket and dress to school.

Send THIRTY-FIVE CENTS (35c) in coins (stamps cannot be accepted) for this pattern. Print plainly SIZE, NAME, ADDRESS, STYLE NUMBER. Send your order to MARIAN MARTIN, care of the Newmarket Era and Express, Pattern Dept.

Round Robin Tourny

A round robin tournament for the intermediate group of the Newmarket Tennis club was held at the local courts on Thursday, July 24. This is a regular part of the active program maintained by the Newmarket club which has tripled its membership this season. Winners were Maureen West and Donald Jackson. Maureen defeated Patsy Cock 6 - 3 to take the girls' section and Donald with a score of 8 - 6 took the boys' division by downing Rod West. Those participating in the tournament included Patsy Cock, Pat Brown, Lois McCabe, Maureen West, Jane Edwards, Judy Bell, Donald Jackson, Rod West and Don Cock.

The president of the league, Frank Dampf, Mount Albert, presented the prizes, a tin of tennis balls and a sun visor to the winners. Following the tournament, the group went to the home of their instructor, Keith Davis, who is the president of the club, for a Weiner roast.

Membership in the club this year stands at over 80 with approximately 50 junior members. The courts are active daily. The club's treasurer is Marcia Bennett and Glenis Chalmers is secretary. Another tournament for the intermediate group will be held at the end of August when trophies will be awarded the winners.

MOUNT PLEASANT

There will be no Sabbath school or church service at Mt. Pleasant next Sunday, Aug. 10, as Mr. and Mrs. G. Killen are on holidays.

Sorry to hear that Mr. J. Leaney met with an accident to his car on Sunday while returning with his family from holidays at Cambridge.

Mr. and Mrs. Harry Davis and Neil, and Mrs. Davis Sr. of Lakeview had Sunday supper with Mr. and Mrs. Robt. Davidson.

So much wet weather is making it difficult for the farmers to get grain harvested.

SCHOMBERG

Mr. Edward Marchant suffered a stroke on Friday evening but is somewhat improved again.

Miss Helen Abbott, nurse-in-training, Toronto, has taken a position at Orangeville hospital for a month.

Miss Edith Bond of Toronto spent the weekend with Mr. and Mrs. Edward Marchant.

A bus load of ladies motored to Barrie on Thursday and attended the rug and quilt fair.

Mr. and Mrs. C. Marchant and Mrs. N. Wauchupe spent the weekend with friends at Galt.

Mrs. James O'Neil spent Wednesday and Thursday at Barrie visiting Mrs. James Cordinby.

Mr. and Mrs. R. Tanner of Toronto are spending a week with the latter's parents, Mr. and Mrs. E. Stonehouse.

Sponsor of the shoot this year is Bob Chadwick, Newmarket, holder of the 1951 trophy. Winner of each shoot becomes captain of the Silver Arrow and second becomes the first lieutenant of the Silver Arrow. Harry Markham, Newmarket, is lieutenant this year. They were winners in last year's shoot at Toronto.

It is up to the winner, captain of the Silver Arrow, to sponsor the shoot the summer following.

The Scorton Silver Arrow was originated at Scorton, Yorkshire, England, in 1873. A Canadian charter was given 13 years ago and a Canadian trophy is presented.

A copy of the original rules set down in 1873 will govern the shoot Sunday. The copy of the rules is written in old English phrases.

"Foreasmuch as the Exercises of Archery is lawful, landable, healthful and innocent and to the end that God's Holy Name may not be dishonoured by any of that Society," one clause states, "it is agreed and hereby declared, that if any one of them shall that day curse or swear in the hearing of any of the company and the same proved before the captain and lieutenant, he shall forthwith pay down one shilling and so appropriate for every oath, to be distributed by the captain to the use of the poor of that place or where they then shoot, and in case of refusal or neglect to pay the same, then such party to be excluded from shooting any more till payment is made as above said."

Archers from all over Ontario will be at the shoot on Sunday. The competition will get under way at 1 p.m.

BALSDON—PEGG

Rev. E. V. Warren of Queensville officiated in Hope United church at the marriage of Betty Orion, daughter of Mrs. Pegg and the late Stuart Pegg, to Lloyd Allan Balsdon, son of Mr. and Mrs. Allan Balsdon, Sharon.

The bride, given in marriage by Mr. J. D. VanGorder, looked lovely in French lace and net over satin with fitted bodice, stand-up collar and lily-point sleeves. Her veil was held by a coronet of seed pearls and she carried a cascade of red roses and white carnations.

The bride was attended by her sister Ruth as bridesmaid, wearing yellow net over taffeta with lace bolero and matching head-dress. She carried a nosegay of mauve and yellow mums.

Fred Glover, brother-in-law of the groom, was best man and Alvin Pegg, brother of the bride, was usher.

Betty Colbourne of Toronto was organist. During the signing of the register, Patricia Boake sang "Because" and Betty Shropshire sang "I'll Walk Beside You."

At the reception at the bride's home the bride's mother chose navy blue sheer with white and a corsage of pink roses, and the groom's mother chose turquoise and white nylon mesh and a corsage of white roses.

The happy couple left on a trip to Quebec, New Brunswick and the eastern States, the bride travelling in a grey aryl white taffeta dress, red velvet coat and white accessories with a corsage of red roses.

KESWICK

Master Billie Waldon has returned home to Toronto after visiting his grandparents, Mr. and Mrs. Isaac Waldon, for three weeks.

Miss B. Stewart of Toronto spent the weekend with Mrs. Macgee and Miss Islay Macgee.

Mrs. Perry Winch Sr. has returned from the West after being with her son, Rev. Gordon Winch, for five weeks at Central Butte, Sask.

Mr. and Mrs. Malcolm Beare of Hanover spent the weekend with Mr. and Mrs. Isaac Waldon.

Two Newmarket Students

Guests at C.N.E. Aug. 14

When more than 200 outstanding students from Ontario high schools converge on the Canadian National Exhibition grounds on Warriors' Day, Aug. 23, two young people from Newmarket high school will be on hand. Invited to represent their school are Bill Wilson of 10 College St., and Joan Widdifield of 12 Niagara St., and they'll be guests of the C.N.E. directors for a day of fun that will keep them busy from early morning until the last fireworks has been set off after the grandstand performance.

Also invited to attend are Principal J. W. Lockhart and his wife, and the chairman of the school board and his wife, Dr. and Mrs. Harold Leary of Sutton.

The day's program will be geared to youth, and will include plenty of group singing, square dancing and music by school bands. A basket lunch, served on the lawn, will act as a real

The Common Round...

By Isabel Inglis Colville

PRESENTATION PARTY

It takes more than ominous looking thunder-heads to dampen enthusiasm when anything connected with a wedding is in progress. So, although this was nature's attitude in the afternoon of Wednesday, July 29, it was decidedly not that of those who journeyed to the home of Mrs. Glover on that occasion.

One thinks instinctively of "the city that is set on a hill, that cannot be hid" when one recalls the Glover home. All around for miles stretched the summer landscape in the greens and golds of a July day. Homes nestled among the trees and I heard Mrs. McCullough say "I never dreamed that our house stood out like that!"

I could see the pointed spires of our great spruces and the lordly elms and maples that shade neighboring homes. So peaceful and fertile it looked that one found it hard to remember that war, devastation, misery and ruin made some parts of the world a veritable hell on earth.

But we could not stop to philosophize and soon joined the 30 or more ladies who were having a good visit in the living room. Our new neighbor, Mrs. Roy Cody, was there, giving us the opportunity to become acquainted and it was good to see Mrs. Earl Toole out after her long illness. It was a joy for me to be there for the same reason, release from the sick room.

And now came the event for which we were gathered when Kathleen Heisey, Marjorie Preston and Nicole and Brenda Glover carried in a beautiful floor lamp. It towered above these small ladies and was, with its decoration of pink bells, an imposing object.

It was placed ceremoniously before the guest of honor, Miss Dorothy Ratcliffe of Toronto, who with her bridesmaid to be, Miss Edgar, was seated in state in the centre of the room. Miss Ratcliffe, who had been under the impression that she was simply coming for tea and a reunion with her friends at Bogartown, was taken by surprise but was able to make a very effective little speech of thanks and we all hope that she and David will have many pleasant evenings to enjoy its light.

Miss Ratcliffe was formerly a teacher in Bogartown school. Her marriage to David Preston takes place in August. Mrs. Ratcliffe's mother and Mrs. Glover's mother, Mrs. Gardiner of Toronto, were among the guests.

The cup of tea and delicious lunch which brought the afternoon to a close added a pleasant finishing touch to a delightful afternoon. We will remember them.

PRAGER—GILKES

A very pretty wedding took place at the Friends church during the service Sunday, July 27. Rev. Burton Hill performed the double ring ceremony. The bride, Marie Louise Gilkes, daughter of Mr. and Mrs. Tess Gilkes, Newmarket, was united in marriage to Lohus Manfred Prager, son of Mr. and Mrs. Willie Prager, Stuttgart, Germany.

The bride was given in marriage by her father and looked lovely in yellow nignon with white accessories and a corsage of yellow and white carnations.

Mr. Lloyd Gilkes, brother of the bride, acted as best man and Mrs. Lloyd Gilkes, sister-in-law of the bride, was bridesmaid. She chose rose pink nignon with white accessories and a corsage of pink and white carnations. The ladies of the Friends church provided the flowers.

The bride's mother was gown-d in old rose with white accessories. Mrs. Burton Hill was soloist.

The reception was held at the home of the bride with Mrs. Grant Fulson and Mrs. L. Steadman assisting. The happy couple left for a trip to Niagara Falls and parts. They will reside in St. Catharines.

Newmarket Social News

—About 50 relatives gathered on Aug. 3 at Sharon Park to bid farewell to Mrs. Viva M. Quarles and daughter Charlotte, who had motored to Newmarket from South Miami, Florida. Also present were Mr. and Mrs. Jas. Irwin, Winnipeg, who are here to visit Mrs. Irwin's brothers, Messrs. Elmer, Wilbur and Herbert Shropshire, and sisters, Mrs. Mathew Duncan, Mrs. Alonzo Rose and Mrs. Quarles. Mrs. Quarles and her daughter spent a few days with Mrs. Duncan and Mr. and Mrs. Irwin are visiting there now.

—Mrs. John Cain has returned from a three weeks' vacation in Montreal where she has been visiting her niece, Mrs. W. Carpenter.

"mixer-upper," along the lines of the old-fashioned box social. "No girl will be allowed to share her basket with the boy from her home town," warns women's director, Kate Aitken. Desserts will be served under a colorful marquee before the group sets off on a tour of the grounds.

In the Coliseum, some of the young guests will have a chance to model in a few of nearly 40 fashion shows presented daily by the Women's Division. They'll see the latest and smartest in back-to-school clothes. Canadian manufacturers have planned for them. Brigadier Rockingham will be on hand and will present prizes for winning school arts and crafts entries. Among them will be the \$100 prize awarded for the best mural submitted by a Canadian high school to Margaret Hewitt, of Whitehorse high school, Yukon Territory. The 15-year-old girl is being flown to Toronto as guest of the C.N.E., and will be part of the group. A trip down the famous C.N.E. midway, with time for a few rides and perhaps a sideshow or two is also planned.

Dinner will be a barbeque served out-of-doors, after which the students will see the grandstand show, starring glamorous singing star Tony Martin.

FREE FREE

New bulbs to replace your old type bulbs, the ones with the glass tip on them, will be given by us free if you will turn the old ones in to us. This old type of bulb causes interference on television. 45 of them have been turned in but there are still some in use. Each bulb you turn in gives you a chance on a new General Electric mantle radio donated by television owners in Newmarket.

Bring the old bulbs in to our store or take them to our booth at the Trade Fair. The draw for the radio will be made at the Fair on Aug. 16.

This offer applies to those living in Newmarket or its immediate vicinity only.

PLEASANTVILLE

On Wednesday afternoon, July 30, at the home of Mrs. Wm. Glover, whose living and dining room was beautifully decorated with lovely summer flowers, gift of Mrs. Wm. Walker, over 30 ladies and 11 children gathered to present Miss Dorothy Ratcliffe, bride of this week, with a lovely tri-light floor lamp. It was presented by four little misses, Nicki and Brenda Glover, Marjorie Preston and Kathleen Heisey.

Miss Ratcliffe was completely taken by surprise, but thanked everyone in a few well chosen words.

Mr. and Mrs. M. McNicol recently to Mount Forest moved to visit Mr. and Mrs. Gordon Hallowell.

Miss Marjorie Preston was a guest for a few days last week with little Miss Kathleen Heisey. Guests for Saturday tea at the Greenwood home included Mr. and Mrs. Vern Kellington and Earl Mr. and Mrs. H. Cole, Miss Leone Cole and Master Guy, all of Ravenshoe.

Mr. and Mrs. C. Mortson and two children of Onemee were guests of the weekend at the home of Mr. Elmer Mortson.

Mrs. Chas. Toole returned home on Saturday after a long visit with her sister, Mrs. Playter, at Burlington.

Mr. and Mrs. Roy Cody spent a couple of days last week at their city residence.

Mrs. McCullough of Claremont was a guest for a few days last week at the home of her son, Mr. Don McCullough, and family.

SHARON
Mr. and Mrs. Ivan Steckly and Sharon are holidaying near Gravenhurst.

Deanna, Donna and Vicky Sabin of Scarborough spent last week with their grandparents, Mr. and Mrs. Welly Stevens.

Mr. and Mrs. Donald Glover and Beverley spent a few days last week at St. Catharines.

Mr. and Mrs. George Donaldson and Miss Lynne Donaldson of Buckingham, Que., also Mrs. Bennington of Merrickville, were weekend guests of Mr. and Mrs. E. R. Donaldson.

Mr. and Mrs. Carman Rose and family of Holt, also Mr. Lloyd Moorehead and Mr. Freeman Gilroy, had Sunday dinner with Mr. and Mrs. Gordon Stevens.

Mr. and Mrs. Kenneth McLeod and two sons of Detroit, Mich., were weekend guests of Mr. and Mrs. Fred McLeod. The Misses Evelyn and Violet McDonald and Mr. J. McDonald of Toronto spent the weekend with their uncle, Mr. C. H. Wright.

Mr. and Mrs. Donald Kiteley, Mr. and Mrs. Frank Caruso and Cathie were Sunday guests of Mr. and Mrs. M. E. Kiteley.

Mr. and Mrs. Robert Brisson and children are visiting Mrs. Brisson's parents, Mr. and Mrs. E. F. Ramsay.

Mr. and Mrs. Drake of Leaside and Mr. and Mrs. Jack Weston of Toronto were weekend guests of Mr. and Mrs. Ralph Long.

There will be no service at the United church the following two Sundays but there will be service in Queensville each Sunday at 11 a.m.

SNOWBALL
Mrs. Herb. Patrick, Mrs. Emma Farren and Miss Lois Farren left last Friday for a few holidays with Mr. and Mrs. Russel Farren at Orillia.

Mrs. B. Kirton and daughter Mary are spending a few weeks with Mrs. Kirton's mother who is ill at Fort Francis, Ont.

Queensville Prize List

The fifth annual Queensville sports day was held on Saturday and it is estimated that 5,000 attended the event to enjoy a day of recreation and entertainment. Although it was rainy about Queensville, in the village itself, the sun was shining and the air clear.

The following are the winners in the sports and draws (in order):
Running race, Nancy Cole, Queensville; Barbara Lloyd, Newmarket; Billie Dew, Queensville; best decorated doll carriage, Wendy Johnson, Toronto; Linda Stickwood, Sharon; Linda Russell, Newmarket.

Hidden shoe race, boys, Billy Wellivan, Queensville; Bobby Stiles, Newmarket; Gordon Hough, Scarborough; hidden shoe race, girls, Gloria Andrews, Newmarket; Jo Anne Adams, Toronto; Brenda Rogers, Queensville.

Shoe kicking, boys, Billy Tomlinson, Keswick; Philip Beaver, Toronto; Paul Denham, Queensville; shoe kicking, girls, Mildred Selby, Sharon; Shirley McIntosh, Queensville; Jo Anne Adams, Toronto.

Bean race, boys, Lawrence Rogers, Queensville; Ronald Warner, Toronto; Kenneth Paul, Newmarket; bean race, girls, Patsy Leitch, Queensville; Carol Sedore, Queensville; Barbara Reid, Queensville.

Blindfold race, boys, George Davis, Newmarket; Dan Thomas, Newmarket; Bob Corbell, Newmarket; blindfold race, girls, Jane Roberts, Queensville; Shirley

Bennitz, Newmarket; Gail Pollock, Keswick.
Best decorated bicycle, Loretta Mellon, Queensville; Audrey Ellis, Queensville; Jimmy Fegg, Keswick; thread the needle, John Goode and Bob Corbell, Tom Sargent and Bill Goode; Jim Corbell and Dan Carruthers, all of Queensville.

Youngest baby present in afternoon, Rawleigh prize, Evelyn Maurene Sweetie, Newmarket, 1 month 1 day.

Youngest baby present in evening, Jack and Jill Prize, Raymond Crouth Jr., 3 weeks, Newmarket.

Oldest lady present, Newmarket Era prize, Miss J. Travis (89) Queensville.

Oldest gentleman present, Newmarket Era prize, Oliver Blizard (84), Queensville.

Longest married couple, Wonder Bread prize, Mr. and Mrs. Oliver Blizard, 55 yrs., Queensville.

Most newly-wed couple, Robt. Simpson Co. prize, Mr. and Mrs. Lloyd Balsdon, 1 month, Sharon; Person from the farthest distance, Mrs. J. Sytema, Koordaluzum, Holland.

Child from longest distance, Douglas and Ralph Price, Montreal.

Birthday closest to sports day, Carol Sedore, Queensville, 15 that day.

Largest farm family, Dominion Bank prize, Mr. and Mrs. F. Blanchard and nine children, Ravenshoe.

Winners in the softball tournament were North York, Queens-

entry, while Alf Child and Doug Richardson and Jim Murray were performing elsewhere. Roy Allen was in action at Bolton. John O'Mahoney came on the scene in the early 40's, as did Harry Sutton. May have missed one or two but they're the main ones.

In the Lake Simcoe circuit the optics would see as vintage players such as Elmo Paisley, Hal Watts, Andy Lloyd, Cec. McNeil, Red Mitchell, Harold Botham, Roy Eves, Judd Rutledge, Lon Ganton, Cliff Ward, Bill Burkholder, Bruce Lockie, Ches. Lunney, Stan Lunney.

In the Newmarket loop such orchids as Lefty Glover, Harvey Gibney, Mickey Smith are doing right well. Bill VanZant, Art Dobbie and Toddy Mosier came on the scene in the early 40's. We've probably missed a few of the present day "oldtimers" but perhaps they won't mind being classed with "the kids".

Harry Cause of Cookstown is, of course, after 14 straight pitching years, still the top moundsman of the district.

Ontario Baseball Association have set the site for the finals in all minor series, a new departure. This means regardless of where the finalists come from, the games will be played there, but the draws are so arranged that the one finalist is sure to come from the district where the final will be held.

North York must be held cheaply by the O. B. A. as no finals are carded for these parts. Come on, Optimists, Richmond Hill and Stouffville, prove the experts wrong.

Sometimes we hear something about "showed-up by old-age". You can have your own opinions but here are the pre-war players who are still performing, we would say in most cases, no worse than their younger mates.

At Aurora: Hank Clubine, Ray White, Wilf White, George Hodgins were all members of the Aurora York-Simcoe softball

the N.H.L. season was over \$200. Bill for the Windsor Spits two years ago was \$53,000 over income. Estimates an N.H.L. club needs \$500,000 gross to break even on the year. That's one reason the clubs weren't too receptive to the Cleveland application. Cleveland lacked the money to start.

Joint McComb is pitching great ball in the Owen Sound City league. It's just nine years ago that Joint hurled a no-hit, no-run game for Richmond Hill in the pay-offs against Lansing over the seven-inning route.

Cookstown continues to dominate the South Simcoe softball picture while Stroud bog off all opposition in the northern section of baseball league. Newmarket and Alliston will find Stroud mighty tough opposition for the league championship.

First round opposition for Newmarket will come from the Simcoe County loop. Barrie are out in front, followed by Collingwood, Midland and Orillia in that order. Penetang have dropped out and Creemore are "C" in rating. Likely winner, Barrie or Midland, and it'll be tough opposition for the Cain clan.

Frank Michanuk, former Aurora hockeyist and softballer, is located in Hanover where he is performing for Hanover Legionnaires, current leaders of the big Western Ontario softball circuit.

Senior hockey news definite after Aug. 20. Stouffville Clippers, Scarborough (led by Jack Church, onetime Maple Leaf defenceman), Lyndhurst, who met Stouffville in the semis last winter, are three sure starters.

Oshawa, Leaside and Weston are counted in as well, with Newmarket, Brampton and Woodbridge asked to make up their minds pronto. We believe that the above group would be easier travelling for the Spits and there would be variety.

Perhaps they wouldn't draw as well as the magic gates names of Collingwood, Midland, and Orillia. Certainly, with the exception of Stouffville, there's very little fan following from Toronto area teams. Eddie Bush, as we definitely predicted months ago, rumor to the contrary, is safely in the coaching job at Collingwood for both intermediate and junior and he's been busy filling the vacancies.

Al Morrill, who centred the Barrett-Dance line and has been up in intermediate, has been transferred to Toronto by his bank employers. We know he's too old for junior in any event, but he's good senior B material.

Canadian Legion district softball tournament for Aurora next Saturday, Aug. 9. The Legion has three series to meet population and rating conditions. There will be no "A" teams from the district, but Orillia, Newmarket, Barrie and Collingwood will likely be the "B" entries, with Aurora, Woodbridge, Penetang and Tottenham in "C".

Lowmond from the Aurora North Downs stables is an entry you can watch from now on at Hamilton and Toronto. Eric's Boy, Eric's Girl, Omar's Gift, Freedom Girl are others owned by Eric Craddock who are about ready to go better.

Jack Adams, maestro of Detroit Redwings, gave out with some inside dope at a recent Rotary dinner in Windsor. None of the Wings made less than \$6500.00 before play-off cuts and some salaries (Gordy Howe, Syd Abel, Ted Lindsay, Leo Reise, etc.) are close to the \$20,000.00 mark. As an item of expense he related that the bill for sticks for Ted Lindsay over

ville, Keswick.
An open air concert by a group from Hamilton proved popular. Dancing to VanZant's orchestra in the arena was enjoyed by many.

The usual carnival games were played by many. To wind up the day the grand draw was held when the following were the lucky winners (in order):
Television set, H. L. Kelly, Toronto; radio-phonograph, H. E. Williams, Toronto; mixmaster, Rita Longhurst, Zephyr; electric teakettle, Sally Beckett, Toronto; electric iron, Lloyd Balsdon, Sharon; electric fan, D. Newman, Queensville; electric clock, Orvin Huntley, Keswick; electric table lamp, Ken Arnold, Oak Ridges; electric coffee maker, W. R. Chapman, Queensville; electric heating pad, Lynne Cottrell, Keswick.

The committee thanks all who helped to make the day such a success. We'll be seeing you all again in August 1953.

SCHOMBERG
Mr. and Mrs. Wm. Marchant and granddaughter are visiting with Mr. and Mrs. Bernard Sutton in Sudbury.

Mrs. Wm. Edgar, who has lived in the community and Schomberg for a number of years, has moved to Toronto to live with her daughters.

Miss Doris Wood of Kettleby is visiting her uncle and aunt, Mr. and Mrs. Alex McKeen.

Miss Bertha Dixon of Toronto spent the holiday with her parents, Mr. and Mrs. Smith Dixon.

Mrs. E. McCabe of Bolton is visiting her aunt, Mrs. Andrew Mitchell, for a few days.

DOWN THE CENTRE BY AB HULSE
Looking Over The Sporting Scene

August Accolade: Down at Picton last week to officiate the opening of the week long Legion Mardi Gras and renewed our acquaintance with Ralph Webb, former golf pro at Aurora.

Ralph, who later went to Pine Point and Scarborough and still being manager of the latter club, was Major Domo of the famous Ramesses Shrine drill team, and looked mighty sharp in his white and gold uniform and red fez.

The arab patrol, winners at New York and Mexico, put on a great display for the folks who lined the two-mile parade, and Ralph directed the patrol by whistle only. He sends regards to all the former pupils and players of his day at Aurora.

Rod Smith of Aurora was the only district Shriner in attendance, but some 600 Shriners from all parts of Ontario joined with the Legion in making it a big day.

Claremont celebrated the official opening of their \$2,400 flood-light stadium last night with a gala softball show and jamboree. A great credit to a small village. Chub Spenceley, well known bush league hockey star, was one of the driving forces behind the plan.

Frank Michanuk, former Aurora hockeyist and softballer, is located in Hanover where he is performing for Hanover Legionnaires, current leaders of the big Western Ontario softball circuit.

Senior hockey news definite after Aug. 20. Stouffville Clippers, Scarborough (led by Jack Church, onetime Maple Leaf defenceman), Lyndhurst, who met Stouffville in the semis last winter, are three sure starters.

Oshawa, Leaside and Weston are counted in as well, with Newmarket, Brampton and Woodbridge asked to make up their minds pronto. We believe that the above group would be easier travelling for the Spits and there would be variety.

Perhaps they wouldn't draw as well as the magic gates names of Collingwood, Midland, and Orillia. Certainly, with the exception of Stouffville, there's very little fan following from Toronto area teams. Eddie Bush, as we definitely predicted months ago, rumor to the contrary, is safely in the coaching job at Collingwood for both intermediate and junior and he's been busy filling the vacancies.

Playdowns Bugged
Several factors, chiefly rained out games, have kept Aurora and Mount Albert from getting their North York bantam baseball league semi-finals underway. Aurora's Coach Bill Mundell and his Mount Albert opposite, Morley Case, hope to get the series mobile this week.

Sutton and Richmond Hill, clashing in the other semi-final bracket, at latest report have

played one game in their best of three series. Richmond Hill picked up a 7-4 decision over the Johnny Learoyd coached Suttonites. Winners of the Aurora-Mount Albert and Sutton-Richmond Hill sets will go into a round robin series with Newmarket for the league title.

HASHMAN AWARD

Broughton's Pitching
Toronto Maple Leafs are using a slogan "First in 52". Our Redmen baseballers in their first season didn't buy any high priced slogans or make any rash predictions but they did finish first in the South Simcoe Baseball League—which is a feather in the cap of Coach Herb Cain, Manager Ted Robinson and King-pin Geo. Hudson and all connected with the club.

The Redmen raced Alliston down to the wire in a first place tie. Tuesday night, thanks to gill-edged four-hit pitching from Ken Broughton, the Redmen humbled Alliston 7-2 in a sudden-death game with first place the prize. Broughton received flawless fielding support and 12-hit backing from his mates but your Hashman can't overlook the fact that it was Ken Broughton's pitching that brought first place home to roost. It was a fine pitching job and gets Ken Broughton the nod for the Hashman award and Roxy Theatre pass this week.

Redmen Finish On Top
Simcoe Semis Friday

Newmarket Redmen baseballers finished their South Simcoe baseball league season in a first place deadlock with Alliston Legion. League officials ordered a sudden-death game at Stroud Tuesday to break the stalemate. Behind Ken Broughton's masterful seven strike outs, four hits, near faultless fielding and lusty 11-hit slugging, the Redmen rode into first place with a 7-2 win over Alliston.

Alliston were first off the mark, scoring a run in the second without benefit of a hit. The Legionnaires didn't celebrate their lead long. Wilf Elsbey doubled to open the second, Herb Cain tripled, Bill Grant stroled and Alvie McKnight singled and the batting flurry bagged three runs and put the Redmen out front to stay. Redmen lengthened their lead with single runs in the fourth and fifth and found the target for two in the sixth.

Herb Cain and Alvie McKnight starred offensively for the Redmen with a trio of base-hits. It was one each for Jim Cook, Jerry Hugo, Wilf Elsbey, Wayne Robinson and Ken Broughton.

Broughton's pitching job for his fourth straight win was a classy one. Newmarket's big righthander only allowed Alliston to get two hits in one frame. That was the second and it was good for the Legionnaires' second and last run. Don Wright solved his pitching for two hits to give most trouble. More of this gill-edged pitching, sharp fielding and solid socking by our Redmen can mean but one thing—a championship in the bag.

Redmen start their playdowns Friday here with Everett on hand to provide the opposition.

SPORTS CALENDAR

Aug. 7 - 7.15 p.m., fair grounds, softball double-header, ladies, Mount Albert vs Newmarket sr; 8.30 p.m., Hottentots (colored world champions) vs Newmarket all-stars; 8.45 p.m., Newmarket Memorial Arena, wrestling 3 bout card; 7 p.m., Aurora park, town league, Civil Service vs Ditch Diggers; 7 p.m., Lake Simcoe League, play-offs, Willow Beach at Pine Orchard; 7 p.m., Peel-York, play-offs, Selchomburg at King City (6th game if necessary).

Aug. 8 - 7 p.m., fair grounds, South Simcoe League, semi-finals, Everett M.L. or Beeton vs Newmarket; 7 p.m., Lake Simcoe League, play-offs, Mount Albert at Keswick; 7 p.m., Lake Simcoe Jr. ladies, play-offs, Aurora park, Newmarket vs Aurora; Keswick vs Sutton, Queensville vs Mount Albert (fifth game if necessary).

Aug. 9 - 7.15 p.m., fair grounds town league, Can. Hoffman vs Office Specialty; 7 p.m., Lake Simcoe League, play-offs, Zephyr vs Queensville (2nd game).

Aug. 12 - 7 p.m., S.S. diamond, Lake Simcoe Jr. ladies, play-offs, Aurora vs Newmarket; 7 p.m., Aurora park, town league, Ditch Diggers vs Queen City Storage; 7 p.m., Lake Simcoe League, play-offs, Keswick vs Mount Albert (2nd game); 7 p.m., North York midget baseball, round-robin, Newmarket at Richmond Hill.

Aug. 13 - 7.15 p.m., fair grounds town league, Sport-Cycles vs Can. Hoffman; 7 p.m., South Simcoe Baseball League, semi-finals, Newmarket vs Everett M.L. or Beeton; 7 p.m., Lake Simcoe Jr. ladies, Sutton at Keswick (3rd game); 8 p.m., North York Tennis League, Newmarket at Aurora, Richmond Hill at Mount Albert.

HILLMEN CLIP AURORA
The round-robin series for the North York midget baseball title tightened up considerably last week as a result of Richmond Hill's 6-0 win over Fred Wilson's Aurora Legion.

Bob "Moose" Andrews, going great guns recently on the Aurora hilltop, was greeted by a rousing round of Richmond Hill hits and before Coach Wilson could get him out, Hillers were 6-0 leaders and well on their way to their first win of the series.

Gen. Keroff took over from Andrews and was followed by Ron Knowles in the sixth as Aurora mound staff couldn't put the silence on the Hill hitters. Al Robertson huffed out the Aurora swingers and was given long ball hitting support by Jim Pollock and Ted Hart. Aurora made a gesture to get back in the game with three runs in the sixth. Grant Edwards four for four and Jimmy Hammond's two for four batting fire-works paced Aurora.

Aurora: B. Morgan, G. Edwards, J. Bum, S. Wilson, J. Hammond, R. Knowles, R. Sutton, G. Keroff, B. Andrews.

Richmond Hill: J. Pollard, P. Baker, R. Loushner, D. Hart, J. Pollit, R. Fowler, J. Kingston, A. Robertson, J. Cottrill.

Pin-Ups Trample Aurora

Top-notch efficiency at the plate, a classy pitching job by Ray Diceman and air-tight fielding staked Newmarket, Pin-ups to a 20-3 win over Aurora Tuesday. The game was the opener in a best of five first round Lake Simcoe Junior Ladies' softball league playdown series. Game two is scheduled for Aurora Friday.

The Pin-ups, with all their stars back in harness, subjected two Aurora hurriers to a grueling demonstration of batting power as they built their hand-some total around a seven-run third, eight-run fourth and capped their performance with nine in the sixth.

All the Pin-ups collected at least one hit. Helen Tennant, Betty McArthur, Barbara Gwilliams, Isobel Rogers and Joan Quinn led the base-knock spree. The latter including a two-on homer in the hitting fireworks. Aurora reported on the diamond with six players and Coach Geo. Watt made it a lend-lease affair by loaning Loretta Forhan, Beverley Crouch and Dana McGrath to the visitors. Loretta Forhan and Beverley Crouch scored Aurora's first two runs and Lou Evans completing the visitors' scoring with a single in the sixth.

Newmarket: M. Lee, K. Diceman, H. Tennant, J. Robinson, M. Martin, B. McArthur, B. Gwilliams, I. Rogers, J. Quinn. Aurora: W. Hammond, C. Taylor, F. Hartsman, L. Evans, L. Forhan, B. Crouch, D. Woods, D. McGrath, A. Wells.

Legion Ball Tourney

The Canadian Legion zone softball championship series scheduled for Aurora town park Saturday, will have a familiar ring to most sportsmen in this district. It will be Newmarket vs Collingwood in the B series. In C series, the White brothers, Ray and Wilf, will send their Aurora Legion nine against Penetang for the C title. Alex. McLean, district E sports officer in charge of the games, also hopes to arrange a game between the Newmarket - Collingwood winner and the Aurora-Penetang survivors to round out activity. Games get underway at 2 p.m. and the date to remember is Saturday, Aug. 9, at Aurora town park.

Pine Orchard Wins Opener

They're off and running in the Lake Simcoe Softball League playdowns. Kick off came on Tuesday as Pine Orchard strode into Willow Beach. Behind a classy four-hit, shut-out pitching chore, forged by ace hurler Ted Tidman, and a alert defensive work, Pine Orchard blanked Willow Beach 4-0.

Tidman, firing sharp ball, shut the door tight against any Beach scoring. He permitted Al. Chapple, Ted Anderson, Cec. McNeill and Don, Trivett a hit each but didn't allow more than one in any frame. Bill Dike's base-cleaver smash in the second broke up the close pitching duel. Tidman and Beaches veterans Cec. McNeill and provided Pine Orchard's first run. Pine Orchard added two in the fourth.

Game two in the best of three series will be played at Pine Orchard tonight, Thursday. An Orchard win puts them into the semi-finals.

Willow Beach: A. Chapple, T. Anderson, C. McNeill, D. Cameron, D. Anderson, B. Fairbairn, D. Sinclair, G. Burrows, N. Powell.

Pine Orchard: M. Ash, S. Pollock, A. Lloyd, A. Pegg, T. Tidman, R. Eves, L. Shropshire, B. Dike, B. Shropshire.

Keswick Finishes On Top

Keswick Lakesides wound up the Lake Simcoe softball league regular season last week in a blaze of glory, claiming an 8-4 win over Queensville at home Friday and tying Pine Orchard 7-7 in a darkness-shortened contest Wednesday.

That home triumph gave Keswick first place in the circuit with 24 points. Zephyr finished second with 21 points, followed by Mount Albert 17, Queensville 16, Willow Beach 15, Pine Orchard 13, Vandorf 3, Belhaven 3.

League playoffs are scheduled to open this week. It will be Keswick vs Mount Albert in a three out of five set, Pine Orchard vs Willow Beach and Zephyr vs Queensville. Both the latter series are to be settled on a best two out of three basis.

Survivors in the latter sets meet in a two out of three play-down with winners tackling either Keswick or Mount Albert for the Stan. Cook plateware.

In the Friday contest Keswick jumped away to a four-run first innings start and were never headed, climaxing their win with a run in the third and three in the fourth.

Harold Smith, pitching one of his best games of the campaign, handcuffed Queensville on four hits. Cliff Ward, Bob English, Bill Burkholder and Doug Eves produced the Queensville hits. Eves' homer led to Queensville's three runs in the fifth after Bob English got aboard on an error and Bun. Cook stroled. Bob English's double set up Queensville's other tally in the seventh.

Ron Rowe and Tom Hare led Keswick's 12 hit assault on Lon. Ganton and Cliff Ward. Both Keswick sluggers picked up three hits, including a double in their take. Albert Smith, Royden Connell and Eddie Chadwick were two-hit men with the victors while Claude Pollock and Grant Thompson singled to complete the Keswick hitting.

In the Wednesday game at Pine Orchard, called in the fifth due to darkness, Keswick and Pine Orchard were deadlocked 7-7 at the end of four. Ron. Rowe, Claude Pollock and Grant Thompson and Eddie Chadwick's home run blast featured the Keswick hitting. Howie Ash, Ted Tidman and Roy Eves put together the hits that kept Pine Orchard in the early hunt.

Simcoe First Round

President Ken Hodges of the Lake Simcoe Softball League issued the following announcement regarding first round playdown games after completion of the regular schedule Friday.

Series A: Mount Albert vs Keswick (3 out of 5), Friday, Aug. 8, Mount Albert at Keswick; Tuesday, Aug. 12, Keswick at Mount Albert; Friday, Aug. 15, Mount Albert at Keswick.

Series B: Queensville vs Zephyr (2 out of 3), Wednesday, Aug. 6, Queensville at Zephyr; Monday, Aug. 11, Zephyr at Queensville; Thursday, Aug. 14, Queensville at Zephyr (3rd game if necessary).

Series C: Pine Orchard vs Willow Beach (2 out of 3), Tuesday, Aug. 5, Pine Orchard at Willow Beach; Thursday, Aug. 7, Willow Beach at Pine Orchard; Wednesday, Aug. 13, Pine Orchard at Willow Beach (3rd game if necessary).

Civil Service Lose Again

Normie Mathews' Queen City Storage kept pace with the Ditch Diggers for top spot in the Aurora town league race with a 16-8 win over Civil Service Thursday. The loss was the Servicemen's eighth straight.

Trailing 8-4 going into the sixth, the Storagemen erupted for six runs in both the sixth and seventh to gain the verdict. Home run blows by Grant Winters and Long Jawn Andrews and Don Holman's triple were the big blows in the Queen City's late rally.

Red Castles went the route for the Storagemen and ran into one grief-filled innings, the fourth, as the Service put together four walks and three hits for five runs. That gave Civil Service an 8-4 margin but from there on it was a bundle of bad news for winless Servicemen.

Red Craig toed the rubber for the losers and backed up his pitching with three hits. Wilf White sported a perfect evening at the plate with a single and three walks. Storage hitters were Grant Winters with two homers and a double, Red Castles four hits, Jack Andrews homer and single, Don Holman triple and single, and Andy Closs Jr. double and single.

N. York Wins Tournament

Pitchers and pitching dominated the softball warfare at Queensville's fifth annual sports day Saturday. North York, behind brilliant pitching efforts from ex-Beaches league chucker Gord. Wright and Bus Benson, walked off with the major prize money. That gave North York a clean sweep of the top awards at Mount Albert, Zephyr and Queensville tournaments.

Four teams entered the Saturday competition, Newmarket Legion, North York, Keswick and Queensville. Newmarket Legionnaires, making their first appearance as a unit, drew North York in the first round and promptly bit the dust 8-0. The Yorkers used a four hitter from Bus. Benson, and two disastrous Newmarket infield errors to hex the local Legionnaires. Ron. Kester, working the Newmarket pitching stint, held the heavy slugging Yorkers to five hits.

Keswick and Queensville went at it in the other first round game. Queensville were 7-0 winners on the strength of Tommy Stewart's one-hitter and home run blows by Randy Anderson and Wilf Elsbey. Tom Hare banged a single into centre in the third to spoil Stewart's no-hitter.

Tommy Stewart, Queensville ace from Toronto, had too many home run balls up his educated sleeve as Queensville and North York hooked up in the finale. Stewart gave up home runs to Geo. Phillips and Mickey Berry and those belts led to 5-0 win for North York over Queensville. Keswick and Newmarket met in a duel for third place and Keswick erupted with runs in the first round on to a 6-5 win over Newmarket. Harold Smith kept down on the mound and collected a shut out.

Rockets Put In Storage

A three-run rally in the top of the seventh on hits supplied by Eric Smith, Lefty Phillips and Andy Closs Jr. that broke a 3-3 stalemate enabled Queen City Storage to eke out a 6-5 decision over DeLattay's Rockets Tuesday in an Aurora town league contest.

The win hoisted the Storagemen into undisputed possession of first place, a game up on the Ditch Diggers.

"The Rocketmen came right back in their last of the seventh swing to score twice on hits furnished by Alf Childs and Bill Hawdrey before Andy Closs Jr., working the Storagemen's mound, stalled off the rally one short of the tying counter.

The teams did all their scoring in the late innings. It was a 9-0 ball game until the fifth when Andy Closs Jr. and Rocketman Doug Richardson matched pitchers. Storagemen broke the goose-egg charm with a run in the fifth and two in the sixth. Rockets counted their three in the sixth.

Andy Closs Jr., Grant Winters and Hoppy Hodgins were the victors' hit masters. Paul Knowles and Alf Childs put the sock in the Rocket swinging.

Haskett's HASH
BY GEORGE HASKETT
Newmarket Sports Editor

Sports activity in and around the Hub will hit high G for fun and uproar over the next fortnight. It all begins tonight with a three-way caper.

Stan Smith will unveil his new wrestling "sensations" at the Memorial Arena. At the Fair Grounds, of course, the mushballers will be exchanging pleasantries. Mount Albert ladies, undefeated this season, will provide the kick-off to a busy evening with a bout with Coach VanZant's Newmarket senior ladies.

Under the lights, the feature attraction of this or any season, the Hottentots, world colored champs are on hand to provide the action. Unfortunately, the wrestling card and the world's champs visit run counter opposition. Wasn't anything that could be done about it. The Hottentots are very much in demand. They had an open date so it was a case of take it or leave it.

That's the Thursday bill of fare. Friday, our intermediate baseballers, first place finishers in the South Simcoe Baseball League, and not bad for a first year team, jump into the play-off scramble. Everett Maple

Hillmen Clip Aurora

The round-robin series for the North York midget baseball title tightened up considerably last week as a result of Richmond Hill's 6-0 win over Fred Wilson's Aurora Legion.

Bob "Moose" Andrews, going great guns recently on the Aurora hilltop, was greeted by a rousing round of Richmond Hill hits and before Coach Wilson could get him out, Hillers were 6-0 leaders and well on their way to their first win of the series.

Gen. Keroff took over from Andrews and was followed by Ron Knowles in the sixth as Aurora mound staff couldn't put the silence on the Hill hitters. Al Robertson huffed out the Aurora swingers and was given long ball hitting support by Jim Pollock and Ted Hart. Aurora made a gesture to get back in the game with three runs in the sixth. Grant Edwards four for four and Jimmy Hammond's two for four batting fire-works paced Aurora.

Aurora: B. Morgan, G. Edwards, J. Bum, S. Wilson, J. Hammond, R. Knowles, R. Sutton, G. Keroff, B. Andrews.

Richmond Hill: J. Pollard, P. Baker, R. Loushner, D. Hart, J. Pollit, R. Fowler, J. Kingston, A. Robertson, J. Cottrill.

Vacation Mood Grips Aurora Close Some Factories, Stores: Mt. Albert Tennis Club Wins

A holiday spirit prevails in the home-town at the present time. Two of the major industries, Collis leather and Hart's, are closed down for vacation periods, and that goes also for some of the merchants. People are either just going away or just coming back.

One of these days we, too, propose to take a holiday. Not perhaps a holiday but a "break". There's a considerable difference. The latter is much briefer than a holiday of, say, a couple of weeks. We have not had that much straight holiday in years.

So, one week soon, there'll be no "What They Are Saying" columns. For we cannot report what "they are saying" if we are not around to hear it. Instead, we may hope to have a report of the Malcolm council proceedings after it has emerged from its deliberations in a committee of the whole, into which it "dissolved" itself as long ago as November of last year, when Reeve Cook lambasted it.

The unfortunate position with us is that we cannot "close down." If we did there would be no Aurora News Page as we have no deputy. It has been suggested to us that we might request members of the council, or the arena board, to write these columns for us. The suggestion has its attractions. Unfortunately, however, there are what appear to be insurmountable obstacles associated with the suggestion, obstacles that are so obvious that we need hardly name them.

An Alternative

We could, of course, "close down" Aurora News Page for a week. We could go out of action completely and become utterly dumb through non-existence. We could vanish from the news-stands, leaving our representatives holding the bag with "no Aurora News Page this week."

Now we have no doubt at all in our mind that such a vacuum would give the most exhilarating satisfaction to a few people in Aurora! Some of them would doubtless have "an extra one" to celebrate a non-existent Aurora News Page! "Another and another one to drown the memory of it," to paraphrase the lines of old Omar.

To "close down" would be mighty unfair to our many loyal readers and supporters. After all, many have paid a year's and a two years' subscription in the confident belief that they would receive 52 copies of the paper per annum. Why should we go back on our undertaking and chisel them out of a week's issue?

The Only Local Paper

Incidentally, ours is the only newspaper representing Aurora during the current week. The "home-town" paper, like old Tom Bowling, has taken a rest. We were wondering why the Aurora air was less heavy and humid this week. Citizens who were not on holiday appeared to have an unusually relaxed appearance, as though some weighty burden or tantalizing problem had unexpectedly been disposed of.

Suddenly we remembered that the Banner had temporarily, we understand, folded up. The drums and the big trombone had become silent and an atmosphere of serenity had fallen lovingly on the old town. One was breathing more easily in a clearer and more rarefied air. A lot of troublesome static had gone with the "closing down" of the Banner.

We shall keep faith with our readers. Though we may ourselves take a break, we shall keep faith with our readers. Aurora News Page, like the un-failing mail, will come through.

Tennis Club

The Aurora Tennis club had visitors from Mount Albert on Wednesday night, July 30, when a series of strenuous games were played. Aurora finished with two wins.

In the mixed doubles Mary Adams and Pat Davis defeated K. Hastings and Bunn Willis 6-5. In the ladies' doubles Mary Adams and Ruth Harris defeated K. Hastings and Eleanor Mercer 2-6, 6-3 and 6-4.

In the men's doubles Paul Mainprize and Frank Dampf defeated Gordon Grant and Bill MacGirr 5-6, 6-3, 6-5. Bunn Willis and Ross Hochberg defeated Pat Davis and Frank Wins 6-1, 6-2.

In the mixed doubles Marg, Green and Paul Mainprize defeated Estelle Bower and Bill MacGirr 6-2. Eleanor Mercer and Ross Hochberg defeated Mary Adams and Frank Wins 6-3, 6-5.

SOME COMPARISONS

A comparison between the Recreation Commission and the Arena Board in their methods of conducting business is very interesting. The one outstanding difference is that the Recreation Commission conducts its business in public while the Arena Board conducts its business behind closed doors.

By inviting and encouraging the press to attend its meetings, the Recreation Commission has not only gained for itself a great amount of free publicity and made its good works known to the public, but this open-handed way of conducting its affairs has inspired public confidence. By its neglect of the press, and its secret methods of conducting its affairs, the Arena Board has created a situation which has brought on itself widespread criticism and lack of confidence.

The members of both organizations are appointed by council which in turn is appointed by the electors and taxpayers. Members of council are responsible to the people, and members of the Recreation Commission and the Arena Board are responsible to the people through council. Both organizations, like the chief executive body itself, function through the use of public money.

At no time in its history has the Recreation Commission found it necessary to ask council for a vote of confidence. Its meetings and its financial transactions have been open for detailed reporting. The very opposite has been the case with the Arena Board. The financial statements of the Recreation Commission have been dated and signed; those issued by the Arena Board have been neither dated nor signed and are therefore not legally valid.

The present mess and muddle of arena affairs provide a striking contrast when compared with the efficiency of the Recreation Commission.

GANGING-UP ON MURRAY

Councillor Jim Murray's letter to the electors and taxpayers of Aurora, which we published last week, is likely to bring creases to the stuffed-shirt pose of old members of the Arena Board. It would be better if its cod-liver-oil qualities produced a laxative effect on an organization so obviously affected by stubborn self-importance and self-sufficiency.

The Board and the Banner - Aurora's old-time Hush-Hush - have recently ganged up on Councillor Murray, aided by some members of council whom one would have surmised would know better. Their efforts appear to be directed to the job of "closing his noisy trap," a happy figure of speech applied to oneself by a former member of council whom events have relegated to the shadows. The phrase was applied to us at the time old Hush-Hush changed hands.

Over the grapevine it is said that we are giving too much publicity to Councillor Murray. Our answer to such a charge is that we will give equal space to any public representative who sets out to do as good a job as Mr. Murray is doing at present to bring important information to the notice of the taxpayers.

As we have repeatedly pointed out, if matters were to be left in the hands of chairman Underhill, judging from past records, the taxpayers would have no information on the arena. Mr. Murray is determined to change such an unsatisfactory state of affairs, and in his endeavor to do so we are confident he has the full support of the taxpayers.

His task is not an easy one; we are fully aware of that. And being aware of it this newspaper will back his efforts in every way possible. Like his, our duty is to the public, not to a few special interests.

THE BOULEVARDS

The suggestion for the remarks that follow was made to us by a well-known citizen who has contributed substantially to Aurora's tax revenue. He was telling us about a small hole in his boulevard which has needed attention for a long time. His efforts to have it attended to have so far not been successful.

"If the town had to employ labor," he said, "in looking after all the boulevards it would prove a very costly business. As it is the majority of home-owners take a pride in the appearance of their boulevards and this labor costs the town nothing. It seems a pity that when a little repair job is asked for that one meets with nothing but discouragement."

Both were good points. Aurora is most fortunate in having a lot of boulevards and fortunate also in the fact that they are well cared for by voluntary workers who take pride in the layout of their residences. All over the town you can see these open spaces with their trim turf that add beauty to the streets. Imagine the situation if residents took the attitude that the boulevards are town property and waited for the attention of municipal employees with lawn mowers!

No one can walk around the town of Aurora without being impressed by its excellent residential appearance. It is not an exaggeration to describe Aurora as a truly lovely town. Its wide streets and its well-cared-for boulevards all help to make it so. Its early builders and planners were quite obviously men of good sense and judgment. And we have yet to learn that these builders and planners were members of a planning board.

Swindle Writes

Arena Mess

Due To Council

The Editor, Aurora News Page:

The arena controversy has developed some rather startling angles and it might be well at this time to observe some pertinent facts that have a definite bearing on the arena situation.

The council's representatives on the arena commission, from the time the commission was established in early June, 1949, to the end of 1950, were Deputy-Reeve Jas. Murray and Councillor W. C. Corbett.

There was no indication in press reports of council meetings, during that period, of any official report of arena affairs ever having been tabled by either or both of these representatives, nor was there any indication of any request from the mayor or any member of council for such a report.

At the end of 1950 these two representatives quietly withdrew and Mayor Alex Bell and ex-Councillor Robt. Gundy were appointed by council to replace them.

At the time of my resignation from the commission I was the only member, except the executive, who was attending the meetings.

This situation I considered as hopeless and I resigned for two reasons, (1) because of circumstances which I was helpless to control, I was unable to function as a member should; (2) I had hoped by my resignation to provide the council with an opportunity to rectify the situation and bring to their attention the unsatisfactory state of affairs.

But the council pussyfooted around the problem by re-appointing the remaining old members, even those who had not been attending the meetings.

This was bad enough but worse was to come. Public demand for a financial statement of arena affairs, prompted ex-Mayor Alex Bell to present a financial statement to council that was unadvised and unsigned, that because of its obviously misleading features was an insult to the intelligence of the citizens of Aurora.

But according to press reports of the council meeting this report was adopted by council with little or no discussion.

Surely a project in which the taxpayer has a debenture capital investment of \$80,000 and ordinary operating costs of over \$20,000 per year is entitled to more consideration of his interests.

It is very doubtful if any member of council would be satisfied with that sort of accounting of his private business.

Recently some members of council have deplored the unfavorable publicity for the community, because of the criticism of the arena administration.

The responsibility for this unfavorable publicity rests squarely on the shoulders of the council and its appointees, the arena commission, for if they had dealt adequately with the situation, the conditions warranting criticism would not have prevailed.

The council's recent attempt to force the mayor to sign a statement so obviously untrue indicates a very unhealthy state of affairs.

The mayor and those members of council who refused to be a party to the white-washing operation are to be highly commended.

eration are to be highly commended.

The arena mess is due to indifference on the part of the council and the lack of leadership and organization in the arena commission and the problem will not be solved satisfactorily until the facts are recognized and the problem constructively dealt with.

I shall deal with the arena building problems in a later issue.

Yours truly,

Thos. F. Swindle.

COUNCIL REPORT

Councillor Jones Says That Meters Drive Business Away: Murray Reports \$5,000 Grant

A general meeting of the town council was held on Tuesday night, with Mayor Rose and all members present. Business ranged in interest from a lengthy discussion concerned with the cost of the fire chief's application to attend a dominion firemen's convention at St. John's, N.B., to the question of keeping or throwing out the meters.

Among the correspondence read was a letter from the Junior Chamber of Commerce expressing thanks to the council for the grant of a room at the old town hall for the holding of meetings and classes.

The grant asked for in the fire chief's application amounted to the sum of \$225, to cover transportation and expenses for the period of four days.

Reeve Cook said that while he did not question in any way the amount of the grant asked for, he was of the opinion that it was too much money for a small municipality like Aurora.

How do you read character?

Whether or not you believe in any system of "character analysis", you can always tell something about the character of a man simply from the fact that he owns life insurance.

This fact alone tells you, for instance, that he is a good provider. For here is proof that he feels genuine concern for the future welfare of his family—a concern that usually reflects a considerate nature.

It's pretty reliable evidence, too, that he is thrifty, foresighted, realistic—and a good credit risk.

To his employer, his ownership of life insurance suggests readiness to assume responsibility—an attitude that will carry him toward success in any job.

And, if he is using his life insurance to build income for his later years, you can be quite sure that he's the self-reliant type. No relatives or public welfare organization will ever have to support him!

All in all, you'll find that most of the solid citizens in any community own life insurance!

AT YOUR SERVICE! A trained life underwriter, representing one of the more than 30 Canadian, British and United States life insurance companies in Canada, will gladly help you plan for your family's security and your own needs in later years. Rely on him!

Mrs. John Klees is vacationing at Orillia with her sister.

Mrs. T. F. Swindle, Dr. Audrey Devins, and Mr. and Mrs. William Devins visited Eden Gardens, Lake Couchiching, over the holiday weekend.

Mr. and Mrs. O. D. Hess have left on a week's motoring tour during which they will visit the United States. The Hess drug store will be closed until Saturday morning, Aug. 9.

Mr. and Mrs. Harold L. Rogers have been vacationing at their summer cottage, Oak Lake.

Mrs. B. Willis was at the organ at the United church services on Sunday last.

Dr. W. A. Hunnisset of Toronto was the visiting preacher at the United church morning service on Sunday, Aug. 3.

Mr. and Mrs. T. A. M. Hulise, Susanne and Tommy spent Tuesday and Wednesday of last week at Picton and Kingston. Mr. Hulise took the salute at the Legion Mardi Gras parade in Picton Wednesday. The parade was two miles long.

Mr. and Mrs. James Murray and Miss Jean Gloster spent the weekend at Belmont Lake.

Mrs. Violet Russell of Toronto has been the guest of Mr. and Mrs. T. A. M. Hulise.

Mr. and Mrs. R. V. Smith, Miss Beverley Smith and Miss Mary Rose attended the Canadian Legion Mardi Gras at Picton on Wednesday of last week. Mr. Smith is a member of Rameses Shrine of Toronto who were on parade. An ardent cameraman, Mr. Smith secured some splendid movies of the parade.

Mr. W. H. Taylor and Miss G. Taylor, Toronto, spent Monday with Mr. and Mrs. R. Hodgkinson.

Dr. B. Charles of Calgary is spending his vacation with his mother, Mrs. H. Charles, Wells St.

Mr. and Mrs. J. Fleury of Wilcox Lake have moved to their new home on Wellington St. E. this week.

Mr. Fred Teasdale and sons of Toronto spent the holiday weekend with Mr. and Mrs. H. Teasdale.

Miss E. Taylor, R.N., is spending a few holidays with Mrs. G. D. Lindsay, Fisherman's Point, Barrie.

Mrs. Evans of Toronto is spending a holiday with her daughter, Mrs. L. C. Lee.

Mr. K. Hamer and family of Toronto spent Sunday with his mother, Mrs. T. Hamer, Wellington St. E.

Miss K. Mosley, Miss E. Mosley spent the weekend at their home here.

Mr. and Mrs. A. Coates, Mosley St., attended the wedding of Mrs. Coates' brother, Mr. D. Brown, in Toronto on Saturday.

Mrs. Wm. Richardson and son Terry, have been visiting Mr. and Mrs. Dalton Richardson.

Mrs. N. F. Johnson is holidaying with her mother, Mrs. Kerr of Brandon.

Mr. and Mrs. J. C. Thompson of Macell Ave. spent the weekend with Mrs. Thompson's grandmother, Mrs. Cook of Midland.

Guests last week at the home of Mrs. C. G. Peterson were: Mrs. Herb Campbell and daughter, Mrs. Lemon and Linda and Mr. and Mrs. Laymen of Peterboro.

Mrs. W. A. Powell, accompanied by Mrs. M. Mitchener of Toronto, are holidaying at Canadian Keswick, Lake Rosseau.

The Anglican Church Guild held their picnic at Alcona Beach last Wednesday.

Robert Stewart will be the visiting minister at the United Church on Sunday and Mrs. Murray Young of Willowdale will be the soloist.

Mrs. Woodruff and son of Montreal is visiting with her mother, Mrs. Wilcox.

Mr. and Mrs. Ralph Grieves of Lindsay are visiting relatives in town this week.

Rev. and Mrs. Howey left this week for a month's holiday with relatives in the north.

Mr. and Mrs. P. H. Beal of Winnipeg are spending their vacation with Mr. and Mrs. Vander Mataun.

Mrs. A. M. Clark and son Joe have returned from a week's visit to New York.

Mr. and Mrs. Ernest Petch and daughter were guests of Mrs. Charles Webster last week. Mr. Petch is the principal of Port Arthur public school.

Dr. Burwell Charles has arrived by plane from Calgary on a visit to his mother, Mrs. Charles, and sisters. It is Dr. Charles' first visit to Aurora in five years. His twin sister is Miss Bernice Charles.

Councillor Murray and Mrs. Murray and family spent the holiday weekend with Mr. and Mrs. Archie Murray at the latter's summer home at Belmont Lake.

Mr. and Mrs. Lorne Evans and Mrs. Hugh McIntyre and family have been vacationing at Huntington, Quebec, and in the United States.

Aurora Council Report

Continued from page 11

Councillor Tucker suggested that a breakdown of the cost be presented to council.

Councillor King expressed the opinion that that much money could be usefully spent on equipment.

Grant Approved

Mayor Rose said he agreed with Councillor King's view that the money could be used on equipment.

Councillor Davis said the fire chief gave a great amount of time to the work and approved of the application. He said the town hadn't hesitated to spend money on the dog control.

"Not forgetting the \$800 for the planning board," Councillor Tucker ironically commented. (Councillor Tucker was the chief supporter for the planning board \$800 blank cheque, Ed.).

Councillor Murray said he wouldn't want to do anything to hurt the firemen, for they were doing a wonderful job. He did, however, agree with the remarks of Councillor King.

Reeve Cook instanced the severe criticism in regard to similar expenditures of public money which had been reported in the Toronto newspapers. The reeve felt that the cost was too much for a small town.

Council decided to ask for the attendance of the fire chief, who was called by telephone. Mr. Jones pointed out that no grants had been made for convention purposes since 1949, when \$200 was allowed for a convention attendance at Ottawa.

Replying to Councillor King the fire chief said that the amount asked for was a minimum figure; and in reply to Councillor Tucker Mr. Jones said he would lose four days from his work.

On a motion by Councillor Murray, seconded by Councillor Davis, a majority vote approved the grant, with Councillors Jones and King voting against it. Close Wells Street.

For the public school board, Dr. Henderson pointed out that it was desired to close Wells St. to motor traffic during school hours. The school children needed protection, the chairman of the public school board pointed out to council. The sidewalks would be open to the public, and after school hours the street would be freed for vehicular traffic.

It was resolved that the public school board and the streets committee confer on the question of what method of closing the street should be adopted, the general feeling of council being that gates should be used. Cost would be borne by the town. Frazer's Banner.

Councillor Tucker said he wanted to draw the attention of council to the wonderful report which had appeared in the Aurora Banner concerning an address by Lt.-Col. J. Earl Turnbull, O.B.E., when he spoke at a recent meeting of the Aurora Rotary club on the subject of town planning and zoning. Councillor Tucker advised any member of council who had not seen the Banner to get a copy and read the report, which he praised very highly.

Need For Records

Councillor Corbett drew attention to the need for records being kept by the town clerk of all unfinished council business. Mr. Corbett said that some matters were entirely lost sight of, indicating that an easement of a water situation on Temperance St. which the town solicitor had been instructed to attend to by the former council had not received attention. "Nothing more has been heard of it," he affirmed.

Councillor Tucker said he agreed with the suggestion for a record of all unfinished business being kept.

Deputy-Reeve Murray complimented Councillor Corbett on his suggestion, pointing out that he had made a similar recommendation in an early session of the council.

Councillor King thought the idea was an excellent one. It

Aurora Social News

The Aurora Rotary club will hold its dinner-meeting at the Graystones on Monday night, August 11. Under its new management the Graystones will be open to the public on Saturday, August 16.

Mr. and Mrs. Robert Rank spent the holiday weekend with friends at Kettleby and Nashville.

Best wishes to that well-known Kettlebyman, Mr. J. F. Curtis, who celebrated a birthday on Wednesday, Aug. 6.

(Mrs. Roy Fierheller, social editor of Aurora News Page, will be glad to receive locals and news items. Please phone 4774.)

the matter was part of the larger problem of streets' improvements which he had previously referred to. He felt that the problem could not be handled in the present year, but they could gather data for next year's council.

Grant Of \$5,000

Reporting on the interview he had recently had with the Agricultural department of the provincial government, in connection with a grant to the arena, Councillor Murray said he was glad to be able to inform council that his appeal had proved successful and Aurora would now receive a grant of \$5,000.

Councillor Murray went on to state that the department had informed him that if plans for the new part had been submitted by the arena board Aurora might have received an additional \$5,000, or \$10,000 in all. As the plans had not been submitted to the department Aurora would not receive the \$5,000 for the new part. He said too that the playgrounds were being put to wonderful use.

Council adjourned at 10.30 p.m. The next council meeting will be held on August 18.

(A review of council proceedings will be given in "Council Sidelines" in our issue of August 14. Ed.).

The important things
are safe here.

GUARDIANS OF PEACE

The Infantry Mortar Crew...

In attack and defence, the Mortar Crew adds to the effectiveness of Infantry. Accurate, concentrated firepower is vital to successful operation in the field. It calls for cool, highly trained men to operate the many complex weapons of the Infantry.

Canada's tough, independent Infantrymen are the finest fighting soldiers in the world. At home and overseas, these young men stand in the front lines of Canada's freedom.

There are outstanding career opportunities for young men in the Canadian Army Active Force. They are career opportunities with challenges of adventure, the excitement of travel in the most important job in Canada today—defence.

You are eligible for service in the Canadian Army Active Force if you are 17 to 40 years of age, tradesmen to 45, physically fit and ready to serve anywhere.

For full information visit the Army recruiting office nearest your home.

King City And District

Saturday's electric storm brought a deluge of hail stones which damaged flowers and some vegetables. There was rain but no hail as far north as Eaton Hall Farm. Aubrey Campbell had 50 bags of combined wheat in the field but by Sunday it was quite well dried out. It got another soaking on Monday but he says it would soon dry with a few hours' sunshine.

Sherwood Barn Burned

A large steel roof barn on the Winger farm, Sherwood sideroad, near Maple, was destroyed by a bolt of lightning on Saturday afternoon, demolishing 15 tons of hay, hayloft, wa-

gon and rack, a small truck, five calves and about 20 hogs. Total loss was estimated between \$15,000 and \$20,000 by Mr. Samuel Winger, owner of the building. The contents belonged to his son Bruce who works the farm. Maple fire department was able to save a nearby pen with 15 hogs, and other buildings on the place. The blaze was well advanced by the time the brigade arrived as Bruce Winger was away from home at the time. Richmond Hill fire department was also called. Heavy rain descended soon after the building started to burn but was no help in halting the outbreak.

Later in the afternoon, Mr. Percy Rutledge came upon the scene of a fire at a Kleinburg home. A short circuit in a refrigerator destroyed the machine completely and heavy smoke was a handicap to Maple fire department late Saturday afternoon. They had difficulty removing the machine outdoors. There was a bad storm in that area and hydro had blacked out. It was believed when the power came on again, the refrigerator had short circuited. Smoke caused most of the damage.

Mr. Gilgour, his wife and daughters, Jean, and Irene, and Mr. Jack Friend of Toronto called on Mrs. G. H. Stone last week. Mrs. Stone spent the weekend with her daughter, Mrs. Tom Proctor of Schomberg whose birthday fell on Saturday.

Sunday supper guests of Mr. and Mrs. Aubrey Wade, 3rd line, were Mr. and Mrs. Cecil Hill, Mr. and Mrs. Russell Jelly of Grand Valley, Mrs. Telford Shanks and Miss Eleanor Armstrong of Aurora. On Monday Mrs. Wade entertained Mrs. H. H. Alexander, Mary and Betty, her neighbors. Mrs. Alexander and Betty leave for England this month.

Mr. and Mrs. Percy Rutledge and family took a week's vacation at Dundas at the home of Mr. Rutledge's brother, Harold.

Mr. and Mrs. Bill Reid and Joan are seeing parts of United States and Mexico before deciding where they will live. Three murders in a week in the place where they stayed in Mexico was not to their liking, she wrote her mother, Mrs. Frank Gambrell. They were so frightened they slept in their truck, rather than risk their lives indoors.

Civic holiday weekend visitors of Miss Maisie Richards,

Kinghorn, were Mr. and Mrs. A. Richards, Rev. and Mrs. Graydon Richards and two children, Miss D. Reed, Mr. and Mrs. D. Noodle, Mr. and Mrs. Ray Laine and son, Miss Evelyn Malloy, Miss Karen La Voile, all of Toronto; Mr. Frank McKay and Bill of Detroit, Mich., and L.A.C. Ralph Beal on leave from Ottawa, who also called on Mr. and Mrs. Lorne Scott.

Home from Nova Scotia Mr. and Mrs. Morris McKinnon, little Susan and 6-week-old Katherine Louise, motored from Maccan, N.S., to visit her mother, Mrs. Arthur Wellesley. They arrived on Tuesday afternoon, after a 1,100 mile trip which took them via Lake Champlain and Lake Placid, New York state. The baby stood the trip exceedingly well. They will remain until next Monday and will visit Blanche's brother, Doug Wellesley at Eversley.

Mrs. Roy Bowen tells of the fine spectacle of action and color of the Calgary stampede which she attended several times during her July visit to her sister, Mrs. Wesley Obelman, at Forest Lawn near that city. It is something one has to see to appreciate the immensity of the show.

Rev. W. E. Smalley and his wife will be on vacation during the weekends of Aug. 17 and 24, when Mr. Smalley's pulpit of the Baptist circuit will be supplied.

Judy Wells Hit by Truck

Judy Anne Wells, 3½, is in Ross Memorial hospital, at Lindsay, suffering from concussion, injuries to one side of her face, her knee, arm and shock. She was hit by a half-ton Studebaker, driven by a Little Britain man, when she darted in the path of the vehicle from behind a parked car on Cresswell's main street at 8:30 Monday night. X-rays had not been taken by Tuesday to determine the extent of her injuries. The impact threw the child into the air and back onto the gravel roadway.

She is the daughter of Mrs. June Wells and niece of Mrs. Keith Cambden, who said the little girl had followed an 8-year-old playmate across the road when the accident happened. The driver of the truck did not see Judy and had no chance to avoid hitting her. He stopped his vehicle 28 feet from the point of collision. With him was his little son, who was thrown against the windshield when the brakes were applied.

Judy and her mother live at the Cambden home and with them were spending the weekend with Mrs. Wm. Orvis, Mr. Cambden's mother, when the accident happened. Judy is never known to cross the road at King City. Her mother had just spoken to her a few minutes before she was hit but had gone into the house, not knowing her daughter would leave the street.

Mr. and Mrs. L. J. Glass took their vacation during July, motoring to Cornwall to cross the Roosevelt bridge to New York State. At Rome they visited Mrs. George Sprague, and at Vernon they stayed with Mrs. Oscar Law, both cousins of Mrs. Glass. They also had a short stay with their grandniece, Mrs. James Snelgrove, Mass. None of their friends knew they were coming to visit them until they arrived. They also called on Mrs. Garland Catheart, the former Annie Thompson, who taught Strathmore school about 15 years ago.

13. On Vacation by Plane Mary Catherine Lawlor, King Ridges community, is only 13 but she is very air minded these days. She travelled by plane on her own to New York City and visited her grandmother, Mrs. Mary Tolk at Newark, New Jersey, and relatives at Atlantic City. She landed at Idlewild airport, and was met at Malton airport by her parents on Sunday. Mary Catherine was gone two weeks and saw many things that interested her. She passed her grade 8 work at Sacred Heart school in June.

Request Wig-Wag at Eversley The need of a wig-wag signal at the C.N. railway crossing, third concession, north of King sideroad has been brought to the attention of King township council by residents of the district. Upgrade to the track from the north, with the view obscured by trees, the crossing is considered very dangerous.

King township council is enquiring about the cost of installation. The township would be required to pay 25 percent, the county 25 percent and the railway company the remaining 50 percent. The line is heavily used.

Audience Officer Appointed Harold Russell of Schomberg has been appointed school attendance officer for King township to fill the vacancy created by the resignation of Stanley Pringle who held the position for four years. He is an employee of the Hayhoe firm in Schomberg. Mr. Russell has always been a leader in his district's community life and in the work of the United church Sunday school. He is a former president of Schomberg Lions Club. His appointment was made by the municipal council on Saturday.

Watermains in New Subdivision The installation of 1,800 feet of watermains in the new Kingsview subdivision, at the west end of King City, has been completed by the subdividor, John C. Dew. The project marks another step in the development of this residential area.

The mains were taken in from King St. (King sideroad) north on John street, west on James Ave., and on Charles St. Mains were laid for service to the Bissett and Davidson homes, facing King and west of Charles. Houses on King St. can be serviced from the village main. Grading of the bank north of the highway will give easy approach to the properties. Road surfaces on James, John and Charles will be completed very soon. Melrose Ave., the east-west street parallel to James, will not be developed this year.

The subdivision has over 50 lots, and 24 of these are on Melrose Ave. There are 11 on King St. nine of which have been sold. Others sold are distributed over the area. In July alone five back lots were sold, when real estate was at a low ebb. Seven houses are under construction on King St.

The building scene will change quickly, now that the waterworks system is available to property owners. When Mr. Dew has his streets in readiness, he can boast that Kingsview is the only section of King City where one can "drive around the block".

Tallest Canadian Soldier Home

Since Cpl. Peter Alexander came back from Korea recently to "The Pines", the home of his parents, Mr. and Mrs. Henry H. Alexander, 3rd line, he has spent most of his time fishing around Holland Landing and Alliston. One reason is that he likes fishing with the beautiful nylon line he brought from Japan. Another reason is he likes the serenity and beauty of Canadian outdoors. What he thinks of Korea, he does not say. He is a permanent member of the Canadian Provost Corps and he refrains from comments.

The six-foot, 10" soldier likes to get in the car he purchased since coming back, take short trips and enjoy the freedom of his 60-day leave. He will have until Sept. 20 to check in. Contracting malaria aboard ship enroute to Canada, Cpl. Alexander was detained in hospital at the west coast for a week.

Whatever a rough, mountainous country and the sight of starving Korean children does to soldiers, it has not lessened Cpl. Alexander's taste for beautiful things. He is a good buyer and knows how to select. Besides sending his family gifts for the past 15 months, he has returned laden with gifts. Two tea sets each with six cups and saucers; the Seven Gods of China, which are tiny figurines mounted on ebony, for his mother; a black and white satin dressing gown, colorfully embroidered for his father; Japanese head scarves for his two sisters and a handsome blue, white lined dressing gown for himself.

In August, Cpl. Alexander, with his parents and sisters will motor to Montreal to visit his brother, LAC Harry Alexander and his wife. Later on in August he will bid farewell to his mother and younger sister, Betty, when they sail on the steamship "Atlantique" for a prolonged stay in England with Mrs. Alexander's father, her two sisters and two brothers. He and his father will return to The Pines until he goes away again to the Korean front. The young man is only 22 and has been in the army since he was 18.

Presented With Travelling Bag When Mrs. Rhoda Farren planned her trip to Yorkton, Sask., to visit her sister this month, she was unaware that it would provide an opportunity for her friends of Strathmore and Eversley Missionary Societies to show their appreciation of her devotion and service to both auxiliaries. On Tuesday evening, the groups with other friends met at the home of Mrs. T. L. Williams, when they presented her with a monogrammed suitcase.

The address of appreciation and friendship was read by Mrs. C. A. Black of Strathmore and the gift was presented by Mrs. Williams. Mrs. Farren, completely taken by surprise, was overcome with emotion and joy as she accepted the gift and replied in thanks. Vocal solos were given by Mrs. A. J. Gordon, Mrs. Gordon Orr and a vocal duet by Mrs. Fred Boys and Mrs. Len Shropshire. Mrs. W. Finch and Mrs. Bill Willoughby entertained with readings and Mrs. Finch thanked the hostess and those who had taken part. Mrs. Farren goes west the latter part of August.

Little Elaine Armitage loves a birthday party, especially when it is her own. She is an ideal hostess and with her mother, Mrs. George Armitage, entertained nine young friends at her seventh birthday on July 31. Mrs. Jack Walker helped Mrs. Armitage serve refreshments. Mrs. Wilfred Hure, with her husband and children were Sunday visitors of her parents, Mr. and Mrs. Len Robb, on Sunday. She has been in Weston hospital for several months but expects to be released by the end of this month. Wilfred hopes to have their new house on King St. W., Kingsview subdivision, ready for occupancy before the end of the year.

Mr. and Mrs. Donald MacMurphy, Bobbie, Mary and Charlie, of Hillsburg, called on Mrs. MacMurphy's parents, Mr. and Mrs. Harvey Folliott, on their way home from Maple where they were dinner guests of Mr. and Mrs. Alex Bishop.

Mr. and Mrs. Tom Patterson

and son Ronald motored along the St. Lawrence river to Cornwall. They visited the Sheets families at Farran's Point, near Cornwall, and crossed the Roosevelt bridge to Massena, N.Y. They returned via Ottawa to Port Hope and Cobourg. The complete tour was 750 miles. Mr. Patterson is King C.N.R. station master.

Mr. and Mrs. Fred Dent, with Mr. and Mrs. Boland Henderson of Concord, left last Saturday for Batavia, N.Y., returning on Tuesday. They stayed at "The Maples" in Batavia. On Wednesday afternoon, Mrs. Dent entered the Women's College Hospital, Toronto for a surgical operation.

Provincial Constable Tom Armitage of the Peterborough detachment visited his brother, George, a district game overseer, for a couple of days last week. He was on leave after relief duty at Fenelon Falls. Their mother, Mrs. S. W. Armitage of Maple, is visiting in Manitoba.

S. S. Plenie Successful

It was a toss-up on July 31 whether the older members of the United church congregation or the wee tots of the Sunday school had the best time at Memory Acres, when the annual picnic was celebrated by nearly 60. The generosity of Mr. Bruce Davis of Memory Acres and the ability of Mrs. Archie Campbell as hostess made the afternoon a success. The children donned their bathing suits to wade in the Humber river or push a boat about. Mary Scott and Marion Harvey attended to the sports and prizes. Special thanks goes to Mr. and Mrs. Davis for the use of their beautiful grounds, and to Minnie Campbell for her hospitality.

Recently Mr. and Mrs. Douglas Wellesley of Eversley, with Maureen and Katherine, motored to Fort Erie for a day, accompanied by Mr. Wellesley's mother, Mrs. Arthur Wellesley, to visit her son, P.C. Earl Wellesley, and family.

Mr. and Mrs. Irving Scott, Mr. and Mrs. Harry McBride took the 100-mile cruise on Muskoka Lakes on Sunday. They went aboard the pleasure boat at Gravenhurst wharf on Sunday evening.

Mr. Elias Bice has returned from a week's holidays with his son Carson, living at Badger, near Parry Sound. Mrs. Bice spent the previous week with her daughter, Mrs. Leslie Shaw at Novar.

Miss Lois and Miss Mary McBride prepared a surprise party

of 50 guests for their mother's birthday held last Saturday evening. The McBrides were taken to dinner by Mr. and Mrs. Allan Connor and on to a show. After they returned, Mrs. McBride found the party assembled awaiting her.

Miss Fredda Farley, who is completing a teacher's summer course in handicrafts, has received a teaching position on the staff of John Fisher public school, Toronto. She resigned as principal of Strathmore school here in June. Miss Farley has enjoyed the course and plans to continue next summer. We are told that her handicraft work at the course has received high praise. Some of her pieces are being retained as samples of extraordinary quality.

Flight To Laurel

Allan Crossley flew his father's Taylor Cub plane to Laurel, near Orangeville, to visit Mr. and Mrs. Dick Williams and family Sunday afternoon. His passenger was his father-in-law, Earl Campbell of Kingshorn. They had some time locating the Williams farm, but when Earl recognized Dick putting one of his cows to pasture, they landed in a 20-acre cleared hay field. It is 50 highway miles and 40 air miles to Laurel. The Williams couldn't believe their eyes when they saw the plane land and familiar figures climb out. Dick and two of the young boys took a short flight and the neighbors flocked to see the visitors and their aircraft.

Winning his wings just before the close of the last war, Allan has opportunity to practice when the plane is at his farm. "The machine is useful when I want parts for the farm machinery at Aurora or Schomberg," says Allan. One day he hopes to own his own plane. Five minutes from King and Vaughan townline to Aurora saves a farmer time.

His father, C. C. Crossley, an air veteran of two wars, and forest pilot in northern Ontario for many years, is now in commercial flying at Sarnia.

Miss Marion Crossley of the Lady Dunn hospital staff at Wawa, N. Ontario, is on vacation at the home of her parents, Mr. and Mrs. C. C. Crossley. She plans a trip to western Canada as part of her vacation.

Mr. and Mrs. Dave Glass and children left on Sunday for Springfield, Mass., to visit their niece, Mrs. Jean Snelgrove, and her husband, Dr. Jim Snelgrove. Just returned from the Snelgrove's are Mr. and Mrs. Ken White, who went there on their honeymoon. Earlier, Mr. and

Mrs. L. J. Glass, Jean Snelgrove's great uncle and aunt of Laskay, spent a couple of days at Springfield.

Variety Shower for Clare Magee Before her marriage last Saturday, Clare Magee, King Ridges, was honored with a variety shower in Sacred Heart school, arranged by Mary and Rose McVeigh. She wore white and mauve taffeta trimmed with net and a corsage of sweet peas presented by her friends. The event was unexpected by the coming bride as she was ushered into the auditorium to the strains of the wedding march, played by Mrs. Henry Gillham, to find 30 gathered on her behalf. In a decorated setting of flowers she was assisted by Betty Lewis, her bridesmaid, and Rose McVeigh in opening 45 lovely gifts. Dancing and refreshments rounded out the evening.

Bridal Couple Visit the Sick

Mr. Isaac Bales was unable to attend the marriage of his son Allan to Clare Magee on Aug. 2 because of illness. In order that he might see the new member of his family, the bride wore her complete wedding costume and floral bouquet and with her husband visited him just before they left on their honeymoon. Mr. Bales was very happy to see them and cheered by their presence.

Some of the guests at the Bales-Magee wedding last Saturday were Mrs. Alfred Fairhall of Willowdale, Mrs. Robert Baker of Mount Albert, sisters of the groom, with their husbands, and Dorothy and Linda Fairhall, Mr. and Mrs. James Magee of Lansing, and daughter Linda, Mr. and Mrs. Howard Thompson, Toronto, Mr. and Mrs. Francis Trouzina and children, Toronto, Mrs. Fred Hare and daughter Shirley of Temperanceville, Mr. and Mrs. Jim Gillham, Ken and Keith, with Mr. and Mrs. Ralph Baker of Temperanceville, Mr. A. Boyle of Oak Ridges, Mr. and Mrs. Frank Thompson and Mrs. F. Mülle, Mr. and Mrs. Ed. Wood, the bride's sisters, James Magee Jr. of Toronto, Mrs. R. J. Smithower, Thornhill, Mr. and Mrs. Howard Carr of London were unable to attend but were visited by the bridal couple enroute to the Canadian west.

Mrs. E. J. Archibald was entertained by her fellow associates of King Legion Ladies' Auxiliary at a gathering at the home of Mrs. A. E. Green last week who presented her with a cup and saucer as a remembrance of her charter membership in the

organization before she and her husband left King City. Mr. and Mrs. Archibald are staying with Mr. and Mrs. Dick Williams at Laurel for the fall and winter season as well as visiting members of their family. The Curtis house where they have been living for some time has been sold. Ruth Williams and Lenore Robb visited Ruth's parents during the weekend after visiting at London with her sister, Mrs. F. Patton.

Miss Jean McCarthy, a girl guide captain from Halifax, paid Mr. and Mrs. George Harvey a short visit on Tuesday of last week.

Pontiac

the most beautiful
thing on wheels!

A General Motors Value

Illustrated—Chieftain Deluxe 4-Door Sedan

and instrument panel, harmonies inside and out

Radiant new color harmonies inside and out

Pontiac's famous Silver Streak styling is now more glamorous than ever! There's a wide range of beautiful glowing exterior colors. Interiors are rich and colorful—and, in Fleetleader and Chieftain Deluxe models, even the steering wheels have the new two-tone interior color ensembles.

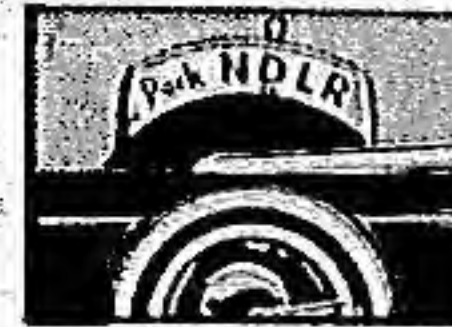

have instant response and flashing acceleration. In Cruising Range, you glide over the miles so smoothly, so economically, it's almost like coasting.

Your choice of completely automatic transmissions

DUAL-RANGE HYDRA-MATIC DRIVE

Driving a Pontiac Chieftain with Dual-Range Hydra-Matic Drive is like having two entirely different power plants always under finger-tip control—automatically. In Traffic Range, you have instant response and flashing acceleration. In Cruising Range, you glide over the miles so smoothly, so economically, it's almost like coasting.

SILK-SMOOTH POWERGLIDE!

In a Pontiac Chieftain with PowerGlide—first fully-proven automatic transmission in the low-priced field—you enjoy an unbroken flow of smooth, dependable power. PowerGlide is simpler, with fewer parts. And it's oil-cooled for long life under all operating conditions.

Powerful, economical high-compression engines

Horsepower has been increased in both the Pontiac "6" and "8". Each of these two great high-compression engines gives you this extra power and stepped-up performance without any sacrifice of economy. And, of course, Pontiac engines have long been famous for the dependable, trouble-free operation which stems from their superior design and craftsmanship.

... and a host of other features

For the driving pleasure of your life, get behind the wheel of a Pontiac. Every single model of the exceptionally wide range of Fleetleaders and Chieftains is packed with features designed to add to your motoring comfort, safety and enjoyment. Features like GM "Shade-Lite" tinted glass all around, which filters out dangerous and unpleasant glare and heat, and includes the exclusive shaded windshield.

Whatever the model you decide to try on the highway, we confidently prophesy that you'll be thrilled by its smooth, effortless driving ease, its distinctive Silver Streak styling, the atmosphere of taste and luxury reflected in every single appointment, inside and out.

So don't delay. Come in soon... prove for yourself that this amazing Pontiac is the most beautiful thing on wheels... the most beautiful buy of all!

Dollar for Dollar and
Feature for Feature... you can't beat
